He explained that Sue Skidgell has been involved in clerking for many years, first with Mapleton, Chapman, and Castle Hill and now with us. Sue has spent a lot of time in training and has been able to receive this special recognition and we would like to highlight her achievement and recognize that we are grateful to have her on our staff and what she adds to our clerk office.

Council expressed their gratitude and would like to congratulate Sue on her achievement.

Council Agenda Item #7: Reports by Officials and Staff

a. Manager's Report

Manager Marker reviewed the Managers report dated February 3, 2021.

Council Agenda Item#8: Old Business

a. Resolution 02-01-2021 Allowing Employees to Retain Prior Year Non-Used Vacation Time

Manager Marker explained Resolution 02-01-2021 and that it is a one-time policy change and we are doing it in appreciation for the staff. This resolution would allow an employee to carry over up to 40 hours from the prior year and it would expire December 31, 2021.

Motion made by Councilor Theriault, seconded by Councilor Willey to approve Resolution 02-01-2021, Allowing Employees to Retain Prior Year Non-Used Vacation Time.

Councilor Morrell asked if employees know about the current use it or lose it policy. He explained that he appreciates the dedication that the employees have but that it is very important that it is used to give the person a time to rejuvenate.

Councilor Willey stated that it is important to remember that it is a onetime deal and would not extend past this year.

Roll Call Vote: T. Ayer - Yes, C. Boma - Yes, D. Morrell - Yes, J. Theriault - Yes, L. Willey - Yes, J. Smith - Yes (So voted)

b. Discussion Regarding Airport Hangars

Manager Marker explained that in December the Council adopted some amended rates for the hangers. The new small hangar base rates went up by \$5, mid-size went up \$10 and another one went up by \$15 a month. There has been concern that if people are utilizing the hangars to store things other then just airplane or aviation, are we then competing with the private market in the City, and are we charging fair market rates.

During a recent walkthrough of the leased hangars, some hangars were not accessible, and some had non-aviation related items inside. One hangar did not have an airplane inside but did have a boat and other items. Manager Marker noted that under FAA guidelines the city is not at risk of losing grants if non-aviation related items are stored in the hangars so long as a plane can still be stored in the hangars. Mr. McDougall asked the Council to reconsider charging additional fees for non-aviation related items and was concerned that the fee increases could result in lost revenue and interest in the airport.

c. Discussion Regarding 2021 Budget Review

Manager Marker explained and stated that he needed to get the general direction from the Council on the budget because the deadline to set the budget is March 15.

Currently were just a little under 9.3 million roughly 45 thousand dollars less than the 2020 budget in the General Operating Expenses portion. The general operating expenses make up all funds except capital, and funds 11, 24, 52 and 96.

February 8, 2021

From a capital standpoint the draft expenses for 2021 are over 1.7 million dollars on the expense side. Looking at the funding sources, it has been indicated that we want to tap into reserve accounts to help pay for some of these items. Out of the 1.7 million we are showing \$853,772 from reserves and it means that we are identifying the need for \$871,000 for new capital in the budget or \$320,000 more than we had in the budget last year. The capital plan is currently using \$853,772 from reserves, but putting back only \$299,000 which makes a difference at the end of the year of negative \$554,772 to the city's bottom line.

Mayor directed that the Council Capital Committee meet before the next meeting to review the plan and bring back a recommendation.

d. Discussion regarding City Council Priorities for 2021

Manager Marker reviewed the results from the City Council Priorities Survey and how the different categories were ranked.

Top ranking items in the categories were items such as Opioid and Drug Enforcement, Capital Vehicle and Equipment Plan, Teague Park Splash Pad Improvements, Union Contract Negotiations, Small Business Expansion and Retention, and Blight Removal.

7:25 p.m. 5-minute break

Council Agenda Item #9: New Business & Adoption of Ordinances and Resolutions

Roll Call Vote: T. Ayer - Yes, C. Boma - Yes, D. Morrell - Yes, J. Theriault - Yes, L. Willey - Yes, J. Smith - Yes (So voted)

b. Cooperative Agreement with the City of Belfast for FAA Capital Funding

Manager Marker explained that the City of Belfast is requesting the use of Caribou's FAA allocation for 2021. Each year the city is allocated \$150,000 from the FAA to be used for the purchase of major airport equipment, upgrades, or facility maintenance. The agreement outlines that Belfast would transfer \$150,000 of its future allocations to Caribou for the 2023-2024 season, which is when Caribou's next project is planned at the airport.

Motion made by Councilor Morrell, seconded by Deputy Mayor Ayer to authorize the City Manager to sign the Cooperative Agreement with the City of Belfast to transfer the 2021 FAA entitlement funds.

Council Agenda Item #10: Reports and Discussion by Mayor and Council Members

a. Discussion Regarding City Councilor Attendance at meetings

Manager Marker explained that the discussion was planned so that the council could discuss the attendance practice at meetings and attorney Rick Solman is available to speak with the Council via phone regarding the topic.

The discussion is because questions have been asked by the public, and amongst the councilors particularly about the requirement that the counselors attend all the meetings and particularly the executive sessions when they are called. The discussion is to determine what should be the practice and how does it tie in with regards to the charter and state statute as far as requirements go. MMA Legal indicated that there's nothing in state statute that requires a city councilor or an elected official to attend meetings and they defer entirely to a local charter. The local charter does not mandate attendance either, but it does have the provision that if councilors have unexcused sequential absences that its potential grounds for forfeiture of a position.

Attorney Rick Solman via phone stated that he has not done extensive research, but he does concur that there is no state statute that would provide for a forfeiture of office for not attending executive sessions. Any such matter in Maine would be a matter of the individual charter of the municipality under home rule.

Councilor Morrell wanted to know if when in executive session there is a leak and the third party suffered damages in some form or fashion, would the council in its entirety in that meeting be held liable for that? Attorney Rick Solman stated that he does not believe that the council would be legally liable for discussions during an executive session that were illegally leaked.

Deputy Mayor Ayer stated some economically sensitive information could be discussed in executive sessions.

The Council asked legal counsel to research how individual Councilors might be liable if a leak from executive session occurs, are there requirements that a Councilor attend executive sessions, any issues with sharing information from an executive session with a Councilor who was not in attendance, and conducting of executive sessions via electronic means such as zoom.

Councilor Ayer reported that there is a planning board this Thursday via Zoom where they will be discussing a few businesses coming, site design review process, land bank legislation, notice of violations and Chapter 13 Revision Process for City Council.

Councilor Morrell stated that he would like to apologize to the Building Committee and asked to be excused from the recent meeting he called but then forgot about because he was tied up in a bidding process with work.

Councilor Willey stated that she attended the Library Board meeting and stated that there are several different activities that are going and new ones each month. She encourages everyone to check it out and bring their children.

Councilor Theriault stated that the Nylander Board has a meeting next Thursday night.

Councilor Boma stated that that there is a Trailer Park Closure Committee meeting tomorrow.

They are the engineering firm that did the survey work around that property prior. They've indicated that they can come up after the thaw and be able to do the survey work for the property. Until that survey is completed there would be no further discussion.

MEMO

TO: Caribou City Council Members FROM: Dennis Marker, City Manager RE: 2021 Budget Review Process

DATE: February 16, 2021

During the previous Council meeting information was provided to Council about the draft budget.

The Council asked that the Capital Committee meet one more time before final numbers are presented to the Council. Their meeting is scheduled for Tuesday, February 23 at 2:30pm to review those budget items.

The revenue budget assumes that property taxes will be the same as budgeted in 2020, which was based on a mil rate of 0.0245. Under that assumption the drafted 2021 operation and capital expense budget is 0.5% below revenues. If the mil rate remains the same at 0.0235 then nearly \$640,000 will need to be cut from operation and capital expenses to balance the budget, plus there would be no accounting for increases by the County and RSU.

These are significantly different numbers that can have sweeping affects. Please provide me more clear direction as I must prepare a final budget by March 1 for Council and public review.

RE: Caribou Trailer Park Closure Assistance Package

DATE: February 16, 2021

There are currently 13 trailers in the park. Two are abandoned with one of those being uninhabitable. There are maybe three trailers that could be relocated out of the park. There are multiple accounts in arears.

After lengthy discussion the Committee has recommended

- Six months rent be waived so tenants can save up some money for their relocation expenses. This would save owners \$660.
- \$1.000 be offered to each trailer owner to
 - o a) reimburse their trailer relocation costs or
 - o b) as payment for a bill of sale for their trailers, and
 - o c) the funds would first be applied to back rent owed if any.
- The city use the \$50,833 from the Trailer Park Reserve (Fund 406-00) for these purposes.

RE: Lease Agreement with SynerGen Solar for Solar Project on Ogren Dump

DATE: February 16, 2021

The City has been working with SynerGen Solar to allow a solar array project on the old Ogren Dump site located. SynerGen has a lease option with the city while they completed their due diligence and site design review processes. SynerGen has completed their final site design review through the Planning Board and state DEP and is now ready to execute the anticipated lease agreement with the city.

The attached lease agreement outlines the 20-year contract with four, 5 year, extensions possible. The city will receive \$500 per acre per year that SynerGen is on the site. New revenue to the city will be at least \$3,900.

One of the issues that has been raised with this lease is the eventual clean up of the property. The agreement states that cleanup of the property is the responsibility of the Tenant (see section 5.3). There is provision that if the tenant walks away the city can claim, without dispute, that the property as abandoned and any costs incurred by the city to "decommission" the property will be covered by the tenant, assuming the tenant is still solvent at that time. Knowing of potential pitfalls to this scenario, I have drafted language for the contract that requires SynerGen to provide a performance bond, security bond or letter of credit for the eventual cleanup of the site. The city can use the guarantee/bond for decommissioning in the event the Tenant does not perform but will return the funds in the event things are cleaned as anticipated. That language is now under review by SynerGen along with other minor changes. Other than the decommissioning bond, the contract is basically in its final form.

This item may be considered further in executive session; however, the general terms have been openly discussed in previous meetings with the Council and Planning Board.

It is recommended that this be treated as a first read since we are still working through some language elements in the contract.

Landlord shall not damage the landfill, or permit any damage or disturbance of the landfill in any manner which could have a detrimental impact on the Project or Tenant's rights hereunder.

Section 2.2 Solar Easement

Landlord hereby grants to Tenant during the Term a non-exclusive easement for and right of ingress to and egress from the Leased Premises (the "Access Easement") upon, over, under, and across Landlord's Land and any other adjacent areas owned by Landlord (the "Access Easement Land"). - (b) Tenant shall have the right, subject to the provisions hereinafter provided, to extend the Initial Term for four (4) additional renewal terms of five (5) consecutive years (each such five (5) year period, a "Renewal Term,") on the same terms and conditions herein, provided that Tenant notifies Landlord in writing of its election to exercise the right to renew this Lease for such Renewal Term(s) (i) if it is the first election to exercise a Renewal Term, any time during the Initial Lease Term, but no later than ninety (90) days prior to the expiration of the Initial Lease Term, and (ii) if it is a subsequent election to exercise a Renewal Term, any time during the previous Renewal Term, but no later than ninety (90) days prior to the expiration of such previous Renewal Term.

If Landlord is assessed any taxes related to the existence of the Project on the Leased Premises, Landlord shall immediately notify Tenant. Landlord and Tenant shall cooperate in contesting any such assessment at Landlord's sole cost and expense; provided that Landlord shall pay such taxes to avoid any penalties or interest on such taxes, subject to reimbursement by Tenant. If after the resolution of the matter, such tax is found to be properly imposed upon Tenant, Tenant shall reimburse Landlord for such tax upon written notice by Landlord. For the avoidance of all doubt, in no event shall Tenant be required to pay, directly or indirectly, any inheritance, estate, or profit taxes that are or may be imposed upon Landlord, its successors or assigns, and in all events Landlord shall be responsible to pay that portion of the real property taxes, if any, assessed with respect to the value of any improvements on the Land located outside the Leased Premises and not constructed by or on behalf of Tenant. . During the Decommissioning Period, Landlord grants Tenant a license to access the Leased Premises solely for the purpose of performing its obligations to decommission the Project and restore the Leased Premises in accordance with this section. If Tenant fails to remove any component of the Project required to be removed in accordance with this Section 5.3 within the Decommissioning Period, or if Landlord agrees to waive the requirement for Tenant to remove one or more components of the Project, such components of the Project may be considered, at Landlord's option, as abandoned by Tenant and Tenant hereby relinquishes any and all right, title and interest in and to any such property in such event. Landlord may retain or remove any components of the Project deemed abandoned by Tenant from the Leased Premises and use or dispose of them in its sole discretion without notice or liability to Tenant. - (b) Landlord acknowledges and agrees that upon execution of this Lease it retains ownership and control of the landfill and all operations, maintenance, monitoring, permitting and compliance matters related thereto, and that this Lease does not in any way transfer ownership or control of the landfill to Tenant, implicate Tenant as an "operator", "responsible party" or "potentially responsible party" (as such terms are defined by applicable Environmental Laws) of the landfill, delegate to Tenant any obligations or liabilities of an "operator", "responsible party" or "potentially responsible party" of the landfill, or otherwise subject Tenant to any Environmental Liabilities and Obligations with respect to the landfill. Landlord shall at all times, and at its sole cost and expense and obligation, keep and maintain the landfill in strict compliance with all Applicable Laws and all applicable permits, licenses and other authorizations and approvals related thereto.

ARTICLE VIII Assignment; Encumbrance

- (a) Tenant may at any time mortgage all or any part of its interest in the Lease and rights under this Lease or enter into a collateral assignment of all or any part of its interest in the Lease or rights under this Lease to any entity providing financing for the Project (each such entity, a "Lender") without the consent of Landlord. If requested by Tenant in connection with such collateral assignment, Landlord will deliver to Lender a consent to assignment containing the provisions in Exhibit C, or such other provisions as may be mutually agreed. "Additional Rights" mean any right or interest to be granted in or to the Leased Premises that is reasonably necessary for the exercise of Tenant's use of the Leased Premises with respect to and serving the Project, including, without limitation, easements and similar associated rights to construct, operate, and maintain transmission, collection, distribution, interconnection or switching lines or facilities with respect to and servicing the Project pursuant to a standard form of easement or other similar agreement, lot line adjustments, lot line mergers, right-of-way dedications, or rights of abandonment. It is agreed that it would be unreasonable for Landlord to withhold, condition, or delay its consent to any of the Additional Rights to the extent that the grant of the right or interest is necessary with respect to and serving the Project. At Tenant's election and subject to the foregoing, Landlord agrees to (i) grant any approved Additional Rights directly to Grantee or (ii) convey title to such portion of the Leased Premises to the Grantee by deed or other conveyance. Landlord also agrees to promptly take actions and deliver all documents reasonably required to effectuate the Tenant's use of the Property, including any documents required by a Governmental Authority.

Landlord will notify Tenant of any transfer, sale or conveyance of the Leased Premises permitted hereunder, and Tenant shall, if so requested, provide written acknowledgement of its attornment to the transferee thereof, provided such transferee agrees to assume all obligations of Landlord in the Lease. Upon transfer of the Leased Premises and assumption of this Lease by the transferee thereof in accordance with this Section 8.3(a), Landlord shall have no further obligations or liability under this Lease, other than liabilities accrued prior to such transfer.
- (b) Landlord may mortgage, pledge, grant a lien on, collaterally assign or grant a deed of trust on, in or over the Leased Premises (any such mortgage, pledge, lien, collateral assignment or deed of trust a "Fee Mortgage") to any Person that provides financing to Landlord without the prior written consent of Tenant only if (i) Landlord shall procure from any such mortgagee for the benefit of Tenant and Tenant's Lenders and financing parties an SNDA acknowledging (A) the Tenant's continuing right to occupy and use the Leased Premises in accordance with this Lease upon any foreclosure or exercise of rights by such mortgagee, and (B) such mortgagee has no interest in the equipment comprising the Project and shall not gain any such interest as a result of the grant of the mortgage or any exercise of remedies by such mortgagee; (ii) the grant of such Fee Mortgage shall be subordinate to and shall not be a lien prior to this Lease or any mortgage placed thereon; and (iii) any such Fee Mortgage shall be subject to the terms of this Lease. In any event, no Fee Mortgage shall give any such assignee (x) any greater rights than Landlord hereunder; or (y) the right to cancel the Lease unless there is an Event of Default on the part of Tenant (which remains uncured by either Tenant or the Leasehold Mortgagee) which, under the terms of this Lease, gives Landlord a right to cancel this Lease. As used in this Lease, the term "Fee Mortgagee" collectively includes any commercial bank, trust company or national banking association or other financial institution, the United States agency or branch of a foreign bank, any insurance company, employees' pension or retirement fund system, corporate profit-sharing or pension trust, any publicly traded real estate investment trust, a "hedge fund" or "private equity fund" or other person or entity that from time to time provides financing to or for the benefit of Tenant or its affiliate, and any agent, security agent, collateral agent, indenture trustee, loan trustee, loan participant or participating or

syndicated lenders involved in whole or in part in such financing, and their respective representatives, successors and assigns.

ARTICLE IX Condemnation; Force Majeure

Section 9.1 Condemnation

- (a) If all of the Leased Premises are taken by eminent domain, or any material portion of the Leased Premises is taken by eminent domain, and as a result of such taking, the continued construction, installation or operation of the Project on the Leased Premises would become impossible or impracticable, then Tenant shall have the option to terminate this Lease as of the effective date of such taking, and upon such termination neither Party shall have any further obligations other than with respect to the distribution of proceeds as set forth in Section 9.2 below, the obligation of Tenant to remove the Project as set forth in Section 5.3 below, or any payment or indemnification obligations of either Party accrued prior to termination. For purposes of this Section 9.1(a), a partial taking shall not be deemed to have rendered construction, installation or operation of the Project impossible or impracticable if, after giving effect to such taking, the Project's generating capacity has been reduced by less than 25%.
- (b) If any portion of the Leased Premises is taken by eminent domain but this Lease has not been terminated in accordance with subsection (a) or (b) above, then the Parties shall use commercially reasonable efforts to amend this Lease to reflect any necessary reduction or, at the mutual agreement of the Parties, relocation of the Project which will preserve the value and benefit of the Lease to Tenant to the extent possible following such taking.

Section 9.2 Proceeds

In the event any award or payment is made in connection with a taking by eminent domain, Tenant shall be entitled to that portion of such award, equal to (i) the reasonable costs of removing or relocating the Project or any components of the Project, (ii) the loss of the Project or any components of the Project, or (iii) the ability of Tenant to operate the Project on the Leased Premises pursuant to this Lease; and (iv) any loss of income from the Project and loss of goodwill. Tenant shall have the right to participate in any condemnation proceedings, including settlement and negotiations, to the extent affecting Tenant's portion of such award, and Landlord shall not enter into any binding settlement agreement without the prior written consent of Tenant in connection with such proceedings. All other awards or payments made in connection with a taking by eminent domain, including without limitation any award made in respect of the fee simple interest in the Leased Premises or the rent payable to Landlord pursuant to this Lease, shall be the exclusive property of Landlord.

Section 9.3 Waiver Relating to Condemnation

The Parties intend that the provisions of this Lease shall govern their respective rights and obligations in the event of a condemnation. Accordingly, but without limiting any right to terminate this Lease to the extent expressly provided in this Lease, Landlord and Tenant each hereby waive the provisions of any Applicable Law allowing either Party to petition for a termination of this Lease upon a partial taking of the Leased Premises or any improvements thereon.

Section 9.4 Casualty

If during the Term, all or part of the Leased Premises or the Tenant's improvements are damaged by fire, wind, flood, earthquake or other casualty, with the result that, in Tenant's sole and absolute discretion, it would not be commercially or economically reasonable or desirable to repair and restore the Leased Premises and Tenant's improvements, then Tenant may terminate this Lease by providing Landlord with written notice of the same and vacating the Leased Premises in compliance with Section 5.3(b) hereof. Upon such termination, except for any obligations which have accrued prior to the termination of this Lease or any indemnity obligations which shall survive any termination of this Lease, Landlord and Tenant shall have no further rights, liabilities or obligations hereunder or otherwise with respect to this Lease. Tenant, or its successor in interest, shall be entitled to 100% of any proceeds from casualty insurance policies maintained by Tenant.

Section 9.5 Waiver Relating to Casualty

If there is any damage to or destruction of the Leased Premises or the Project, this Lease shall not terminate. The Parties hereto intend that this Lease fully govern all of their rights and obligations in the event of any damage or destruction of the Leased Premises and the Project, and, accordingly, the Landlord and Tenant each hereby waives the provisions of any Applicable Law permitting the termination of a lease agreement in the event of damage or destruction under any circumstances.

Section 9.6 Force Majeure

Neither Party will be required to perform its obligations under this Lease to the extent and for the time that performance thereof is prevented by reason of any occurrence beyond such Party's control that could not be avoided through the exercise of reasonable diligence (each such occurrence, a "Force Majeure Event"), including without limitation any act of God, pandemics or epidemics, strike national or regional in scope, delay in receiving any permit or other action of any Governmental Authority (except to the extent attributable to the acts or omissions of the affected Party), flood, earthquake, hurricane, or fire. The Party affected by any such occurrence will give prompt notice thereof to the other Party, keep the other Party notified of its efforts to remedy such occurrence, and resume performance of its obligations as soon as such performance is no longer prevented.

ARTICLE X Default

Section 10.1 Events of Default

Each of the following shall constitute an event of default (an "Event of Default") by a Party:

- (a) any failure by such Party to pay any amounts required to be paid pursuant to this Lease when due, if the failure to pay continues for sixty (60) days after written notice from the other Party;
- (b) such Party makes an assignment of this Lease other than as permitted by Section 8.1 or 8.2.
- (c) any representation or warranty made by such Party in this Lease is false or misleading in any material respect when made or when deemed made;
- (d) such Party fails to observe or perform any other material obligation of such Party in this Lease, which failure continues for a period of thirty (30) days after written notice of default from the other Party or, if the nature of such default is such that cure will take longer than thirty (30) days and such Party initiates such cure within thirty (30) days, then the period

of time necessary to effect such cure (not to exceed ninety (90) days in total) as long as such Party is making continuous and diligent efforts to cure during that time and the extension of such cure period would not result in damage to any person or property or result in the violation of any Applicable Law; and

(e) such Party initiates any voluntary petition for bankruptcy, reorganization, insolvency, liquidation, or receivership, or any such petition is initiated against such Party by a third party and not dismissed within sixty (60) days;

Section 10.2 Remedies

Upon the occurrence and during the continuation of an Event of Default by a Party, the other Party may (i) cure such Event of Default, in which event the other Party shall reimburse the curing Party on demand for all sums so expended by the curing Party; (ii) enforce by all proper and legal suits and other means, its rights hereunder and pursue any other rights it may have in law or equity; and (iii) terminate this Lease by notice to the other Party, which notice will be effective upon receipt or such other date as may be specified therein.

Section 10.3 Surrender

Upon the termination or expiration of this Lease, Tenant shall peaceably surrender the Leased Premises to Landlord and, as and to the extent set forth in Section 5.3, remove all of the components of the Project from the Leased Premises and restore the Leased Premises at Tenant's expense (except where this Lease is terminated by Tenant for a Landlord Event of Default, in which case, Landlord shall be fully responsible for the costs and expenses of such removal and restoration).

Section 10.4 Specific Performance

Landlord acknowledges and agrees that should Landlord breach any of its obligations hereunder or otherwise fail to permit Tenant to exercise any of the rights and privileges granted herein, Tenant shall have the right to specific enforcement of this Lease, in addition to all of Tenant's remedies at law, in equity or under this Lease.

Section 11.2 No Third-Party Beneficiaries

No provision of this Lease is intended to nor shall it in any way inure to the benefit of any third party so as to constitute any such person a third-party beneficiary under this Lease, or of any one or more of the terms of this Lease, or otherwise give rise to any cause of action in any person not a party to this Lease.

Section 11.3 Entire Agreement

It is mutually understood and agreed that this Lease and the Exhibits hereto constitute the entire agreement between Landlord and Tenant and supersede any and all prior oral or written understandings, representations or statements, and that no understandings, representations or statements, verbal or written, have been made which modify, amend, qualify, or affect the terms of this Lease. This Lease may not be amended except in a writing executed by both Parties. No purported modifications or amendments, including without limitation any oral agreement (even if supported by new consideration), course of conduct, or absence of a response to a unilateral communication, other than a written amendment shall be binding on either Party.

Section 11.4 Governing Law; Jurisdiction

This Lease is made in and shall be governed by the laws of the state of Maryland (without regard to its conflict of laws principles). Each Party hereto expressly and irrevocably subjects itself to the jurisdiction of the courts of the State of Maryland, and the United States courts located in the State of Maryland, and agrees that suit may be brought only in such courts with respect to any matters arising from this Lease. The prevailing Party in any litigation arising under this Lease shall be entitled to its reasonable attorneys' fees, expert fees and expenses and costs.

Section 11.5 Further Assurances

Each of the Parties, without further consideration, agrees to execute and deliver such additional documents and take such action as may be reasonably necessary to carry out the purposes and intent of this Lease and to fulfill the obligations of the respective Parties.

Section 11.6 Waiver

Neither Party shall be deemed to have waived any provision of this Lease or any remedy available to it unless such waiver is in writing and signed by the Party against whom the waiver would operate. Any waiver at any time by either Party of its rights with respect to any rights arising in connection with this Lease shall not be deemed a waiver with respect to any subsequent or other matter.

Section 11.7 Relationship of Parties

The duties, obligations and liabilities of each of the Parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Landlord and Tenant or to impose any partnership obligation or liability or any trust or agency obligation or relationship upon either Party. Landlord and Tenant shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other Party.

Section 11.8 Confidentiality

The Parties acknowledge that during the course of the performance of their respective obligations under this Lease, either Party may need to provide information to the other Party, which the disclosing Party deems to be confidential, proprietary, or a trade secret. Any such information, which is marked confidential or otherwise indicated as confidential, shall be treated confidentially by the receiving Party and shall not be disclosed to any other person without the prior consent of the disclosing Party. The receiving Party agrees that it shall make disclosure of any such confidential information only to attorneys, consultants, or agents (each individually its "Representative" and collectively, its "Representatives") to whom disclosure is reasonably necessary during the course of the performance of their respective obligations under this Lease. The receiving Party shall appropriately notify such Representatives that the disclosure is made in confidence and shall be kept in confidence in accordance with this Lease. The receiving Party shall be responsible for the failure of such Representatives to comply with the terms hereof. The terms and conditions of this Lease shall be deemed confidential and subject to the provisions of this Section 11.8.

Section 11.9 Counterparts

This Lease may be executed in two or more counterparts and by different Parties on separate counterparts, all of which shall constitute one and the same agreement and each of which shall be deemed an original, and may be delivered by electronic mail.

Section 11.10 Memorandum of Lease

Landlord and Tenant shall execute in recordable form, and Tenant shall then record, a "Memorandum of Lease" in the form attached as Exhibit B. Such Memorandum of Lease will be executed by the Parties simultaneously with this Lease and recorded in the real estate records of the county or counties where the Leased Premises is located. Upon the termination or expiration of this Lease, Tenant shall upon request deliver termination of lease documentation in appropriate form for recording. Tenant hereby grants Landlord a power of attorney, coupled with an interest, to sign such documentation on Tenant's behalf as may be required to record the termination of this Lease in the event Tenant fails to deliver such documentation upon request.

Section 11.11 Survival

The provisions of Section 5.3, Section 5.4, Article VII, Section 10.1, Section 10.3, this Article XI, and any other indemnification or payment obligations accrued prior to termination, shall survive any termination of this Lease.

Section 11.13 Partial Invalidity

Should any provision of this Lease be held, in a final and unappealable decision by a court of competent jurisdiction, to be either invalid, void, or unenforceable, the remaining provisions hereof shall remain in full force and effect, unimpaired by the holding. Notwithstanding any other provision of this Lease, the Parties agree that in no event shall the term of this Lease be longer than, respectively, the longest period permitted by applicable law.

Each Party agrees that, if requested by the other Party on behalf of any third party with whom such requesting Party is undertaking any such transaction, the other Party agrees to address such matters in an estoppel to be provided, to the extent that the request is commercially reasonable.

IN WITNESS WHEREOF, this Lease has been duly executed on the day and date set forth below the respective signatures of Landlord and Tenant to be effective as of the last date executed by a party hereto.

RECITALS

WHEREAS, Landlord and Tenant entered into that Land Lease dated as of [_], (as amended, supplemented, modified and in effect from time to time, collectively the "<u>Lease</u>") covering certain land owned by Landlord in the City and County of Limestone, Aroostook County, Maine;

WHEREAS, the Tenant and the Lender have entered into the [Credit Agreement] dated as of [__], (as amended, modified, supplemented, and in effect from time to time, the "Credit Agreement") pursuant to which the Lender has agreed to finance certain expenditures in connection with the Project that Tenant is developing;

WHEREAS, it is a condition precedent to the obligations of the Lender under the Credit Agreement that the Tenant execute and deliver (i) a [Mortgage, Deed of Trust, Security Agreement, Assignment and Financing Statement] dated as of [__], pursuant to which the Tenant will mortgage, pledge, grant a lien on and security interest to Lender in Tenant's interests in the Lease, (ii) a [Security Agreement] granting to the Lender a security interest in all of the improvements, fixtures, equipment and other personal property now or hereafter owned by the Tenant now or hereafter located on the Leased Premises or the Interconnection Easement Land (the "Personal Property"), (iii) and other related security documents and instruments (the agreements and instruments described in clauses (i), (ii) and (iii), as the same may be amended, modified, supplemented, and in effect from time to time, are collectively herein called the "Security Documents"), all as collateral security for the performance and observance of the obligations of the Tenant under the Credit Agreement;

WHEREAS, pursuant to the terms of the Lease, the Tenant is permitted to pledge, grant a lien on and assign the Lease to the Lender; and

WHEREAS, it is the condition precedent to the advancement of funds under the Credit Agreement that the Parties shall have executed this Consent and Agreement.

NOW, THEREFORE, Landlord, Tenant and Lender agree as follows:

- 1. <u>Definitions</u>. Unless otherwise defined, all terms used herein which are defined in the Lease (whether by reference to another agreement or otherwise) shall have their respective meanings as so defined.
- 2. <u>Representations and Warranties</u>. The Landlord hereby represents and warrants to the Lender that:
- a. The Landlord is a duly organized, validly existing and in good standing under the laws of the State of ______, is qualified to do business and in good standing in the State of ______, and has all requisite power and authority to conduct its business, to own its properties, and to execute and deliver, and to perform its obligations under, this Consent and Agreement and the Lease.
- b. The execution, delivery and performance by the Landlord of this Consent and Agreement and the Lease have been duly authorized by all necessary corporate action, and do not and will not (i) require any consent or approval of Landlord's board of directors or any other Person which has not been obtained, (ii) violate any provisions of the Landlord's certificate of incorporation, or by-laws or any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award having applicability to the Landlord, or (i) result in any breach of or constitute a default under any agreement relating to the management or affairs of the Landlord or any indenture or loan or credit agreement or other material agreement, lease or instrument to which the Landlord is a party or by which it or its properties may be bound or affected.
- c. As of the date hereof, the Lease is in full force and effect and is a legal, valid, binding and enforceable obligation of the Landlord in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the rights of creditors generally.
- d. There is no pending or, to the best knowledge of the Landlord, threatened action or proceeding affecting the Landlord before any court, governmental agency, regulatory body or arbitrator, which could materially adversely affect the ability of the Landlord to perform its obligations under, or which purports to affect the legality, validity or enforceability of, the Lease.
- e. To the best knowledge of the Landlord, the Tenant is not in default under any material covenant or obligation under the Lease and no such default has occurred prior to the date hereof. To the best knowledge of the Landlord after giving effect to the mortgage by the Tenant of the Lease to the Lender pursuant to the Security Documents, and after giving effect to the acknowledgement of and consent to such mortgage by the Landlord, there exists no event or condition which would constitute a default, or which would, with the giving of notice or lapse of time or both, constitute a default under the Lease.
- f. The Tenant has duly performed and complied with all covenants, agreement(s) and conditions contained in the Lease required to be performed or complied with by it on or before the date hereof, and the Lease, as of the date hereof, is in full force and effect and has not been amended, and none of the Tenant's rights under the Lease have been waived.
- g. All rent, fees and payments due under the Lease through and including the date hereof have been paid and, as of the date hereof, no other fees or other payments are presently due under the Lease.
- h. To the knowledge of Landlord, there are no pending or contemplated condemnation or eminent domain proceedings with respect to the Land (including the Leased Premises), the Access Easement Land, the Interconnection Easement Land or any portion thereof.

- 3. <u>Consents and Agreement</u>. The Landlord hereby agrees that, up to and until the date on which all of the Tenant's obligations under the Credit Agreement have been paid and satisfied (the "<u>Termination</u> Date"):
- a. The Lender and any designee or assignee thereof shall be entitled to perform any and all obligations of the Tenant under the Lease in accordance with the terms of the Lease and the Landlord shall accept such performance on behalf of Tenant. Without limitation to the foregoing, the Lender and any designee or assignee thereof shall have the right, but not the obligation, to pay all sums due under the Lease and to perform any other act, duty or obligation required of the Tenant thereunder at any time. Nothing herein shall require the Lender or such designee or assignee to cure any default of the Tenant under the Lease or to perform any act, duty or obligation of the Tenant under the Lease, but shall only give them the option to do so.
- b. Landlord acknowledges that the Personal Property is owned by and shall remain the personal property of Tenant (and not fixtures) notwithstanding the manner or mode of attachment to the Leased Premises, and Landlord consents and agrees to Lender's (or its assignee's, nominee's or designee's) removal of any Personal Property from the Leased Premises.
- c. Landlord will deliver to Lender, simultaneously with delivery thereof to Tenant, any notice of default by Tenant. Lender will have a period equal to the later of (i) thirty (30) days from such notice, or (ii) the period provided for cure of such default in the Lease, to cure or cause to be cured such default on behalf of Tenant. Landlord will not terminate the Lease by reason of any Tenant default during the period provided for Lender to cure such default. With respect to any event of default that cannot be cured without possession by Lender of the Leased Premises, if Lender has initiated and is diligently prosecuting foreclosure proceedings in order to acquire Tenant's interest in the Leased Premises and the Project, and has cured all other Tenant defaults capable of cure, Landlord will not terminate the Lease during the pendency of such foreclosure proceedings provided Lender continues to diligently pursue such proceedings, and further provided that the period for completion of such foreclosure proceedings will not exceed six (6) months from notice to Lender of such Tenant default.
- d. Landlord acknowledges that any amendment or modification to the Lease by Tenant after the date hereof requires the consent of Lender, and will not make or accept any such amendment or modification from Tenant without the consent of Lender.
- e. A foreclosure or other exercise of remedies under the Security Documents or any sale thereunder by the Lender or its assignee or designee, whether by judicial proceedings or under any power of sale contained therein, or any conveyance from the Tenant to the Lender or such assignee or designee, in lieu thereof, shall not require the consent of the Landlord or constitute a default under the Lease.
- f. In the event that the Lender or its designee or assignee succeeds to the Tenant's interest in the Lease, whether by foreclosure or otherwise, the Lender or its designee or assignee shall be entitled to exercise all rights of the Tenant in the Lease, and shall assume liability for all of the Tenant's obligations under the Lease; provided however, that such liability shall not include any liability for claims of the Landlord against the Tenant arising from the Tenant's failure to perform during that period prior to the Lender's or such designee's or assignee's succession to the Tenant's interest in and under the Lease, or to the date on which Lender received notice of default in accordance with subparagraph (c) above, whichever is earlier, so long as all monetary defaults are cured (regardless of whether such monetary defaults occurred prior to or after the assumption of Tenant's Lease obligations by Lender). Except as otherwise set forth in the immediately preceding sentence, neither the Lender nor any designee or assignee of the Lender shall be liable for the performance or observance of any of the obligations or duties of the Tenant in the Lease and the assignment of the Lease by the Tenant to the Lender pursuant to the Security Documents shall not give

rise to any duties or obligations whatsoever on the part of Lender or any designee or assignee of Lender owing to the Landlord.

- g. Upon the exercise by the Lender of any of the remedies set forth in the Security Documents, the Lender may assign its rights and interests and the rights and interests of the Tenant under the Lease to any purchaser or transferee of the Project, if such purchaser or transferee shall assume all of the obligations of the Tenant under the Lease. Upon such assignment and assumption, the Lender shall be relieved of all obligations under the Lease arising after such assignment and assumption.
- h. In the event that (i) the Lease is rejected by a trustee or debtor-in-possession in any bankruptcy or insolvency proceeding involving the Tenant or (ii) the Lease is terminated as a result of any bankruptcy or insolvency proceeding involving the Tenant, and if within thirty (30) days after such rejection or termination, the Lender or its designee or assignee shall so request and shall certify in writing to the Landlord that it intends to perform the obligations of the Tenant as and to the extent required under the Lease, the Landlord will execute and deliver to the Lender or such designee or assignee a new lease, pursuant to which the Landlord shall agree to perform the obligations contemplated to be performed by the Landlord under the original Lease and which shall be for the balance of the remaining term under the original Lease before giving effect to such rejection or termination and shall contain the same conditions, terms, provisions and limitations as the original Lease (except for any requirements which have been fulfilled by the Tenant prior to such rejection or termination). References in this Consent and Agreement to "Lease" shall be deemed also to refer to such new lease.
- i. The Landlord shall deliver to the Lender at the address set forth on the signature pages hereof, or at such other address as the Lender may designate in writing from time to time to the Landlord, concurrently with the delivery thereof to the Tenant, a copy of each material notice, request or demand given by the Landlord pursuant to the Lease.

4. Miscellaneous.

- a. This Consent and Agreement shall be binding upon the successors and assigns of the Landlord, Lender and the Tenant and shall inure, together with the rights and remedies of the Lender, Landlord and the Tenant hereunder, to the benefit of the Landlord, the Tenant, the Lenders and their respective permitted successors, transferees and assigns.
- b. No amendment or waiver of any provisions of this Consent and Agreement or consent to any departure by the Landlord, Lender or the Tenant from any provisions of this Consent and Agreement shall in any event be effective unless the same shall be in writing and signed by the Lender and Landlord and, in the case of an amendment, waiver or consent sought prior to the occurrence of an event of default, the Tenant (provided that such right of the Tenant to consent to an amendment, waiver or consent shall be solely with respect to amendments, waivers or consents which could have a material adverse affect on the Tenant's rights under the Lease), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.
- c. THIS CONSENT AND AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF MARYLAND.
