RE: Public Forum – Ruby Pelletier Fence Request

DATE: April 14, 2021

Ms. Ruby Pelletier is requesting the Council consider installing safety fencing along the creek running by her home at 71 Washburn Rd. (see below). This past winter she had a mishap and almost slid down the embankment into the creek and had to crawl out of the ravine back to her front door. She believes placing the fencing will prevent similar incidents by children or walking public in the future.

RE: Removal of bridge over Otter Brook on Limestone Street

I have learned that the city of Caribou is reviewing a proposal to remove the bridge over Otter Brook on Limestone Street. I live at 57 Limestone Street, just south of the bridge, and would be greatly impacted by this demolition.

I travel north from my drive far more often than south because that route is the shortest to the grocery store, the bank, the hospital, the post office and the 161 bypass.

I make frequent trips to New Sweden, Westmanland, Stockholm, Madawaska Lake, Cross Lake and Fort Kent accessing the bypass from the Van Buren Road to avoid town and shorten the trip.

I also travel to Limestone frequently, almost daily in the winter. It would be inconvenient and annoying to have to travel south in order to go north.

The man who plows my driveway lives on the Grimes Mill Road north of me and would have to travel extra miles south on the highway and back on Limestone Street in order to reach my home.

The DOT report mentions buildings with historic value. My home was built just after the Civil War in 1866 by David Collins facing the Aroostook River, which was a transportation artery at the time.

To quote the Collins family history "Our Folks and Your Folks":

"David came when a young man to Caribou, where his brothers, Samuel and Harvey, were already established in business.

"He took up a lot of land on the Aroostook River about a mile from the Collins' mill, which was about all there was at that time of what is now the flourishing town of Caribou.

"Here he built a small frame house which, a dozen years later was replaced by the commodious and substantial one still in good condition."

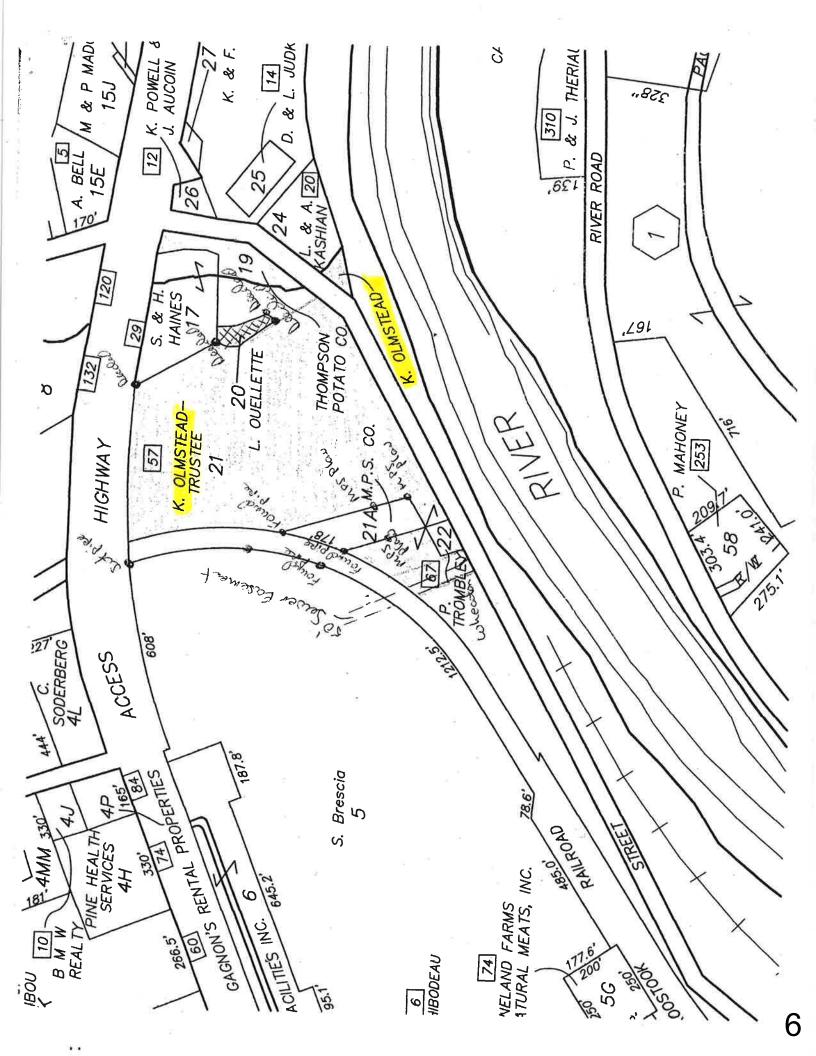

In the early 1950s, the log structure was completely renovated by the R. A. Page family, a project featured in the June 1956 edition of *American Home* magazine with these words of introduction:

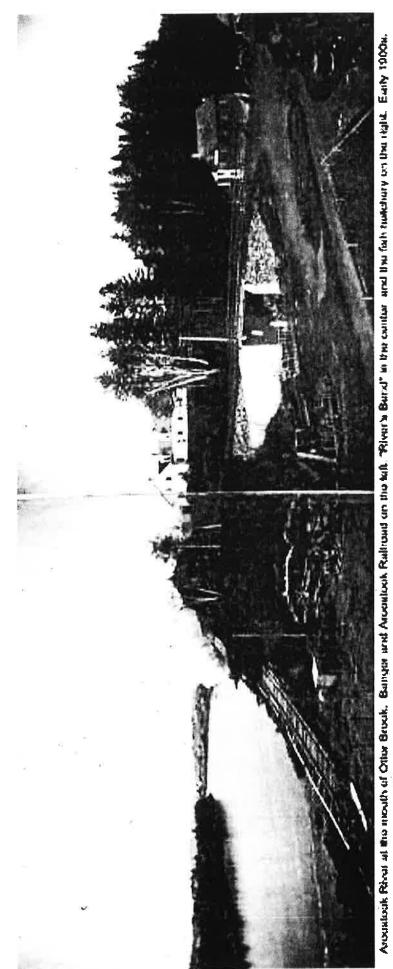

"We borrowed these pages from a joyful family album that tells a story with a fairy-tale ending. Dr. and Mrs. R.A. Page of Caribou, Maine, visualized a lovely Early American home where others saw a doddering old farmhouse. The Pages fell for this riverside house and set out to make it all they wanted. Their imagination, planning and hard work have given them a beautiful home."

I have read the DOT report on the proposal to remove the bridge and have these questions:

1. Why remove the bridge instead of repairing or replacing it, especially in this time when federal funding is flowing into infrastructure projects?

- 2. How many days of study did the August 3, 2020 report represent?
- 3. Is the data on traffic flow numbers available?
- 4. How did the observers determine the direction of travel from "wheel marks on the snow-covered road"?
- 5. Where exactly is the "undeveloped parcel south side of the bridge" designated for an L-shaped turn-around?
 - 6. What decisions and actions have been made based this report, by whom?
 - 7. What are the next steps?

Here he built a small frame house, which a dozen years later was replaced by the commodious and substantial one still in good condition.

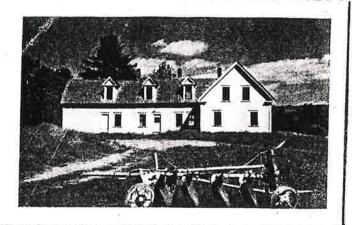

He was united in marriage with Miss Mary Hart, a native of Nova Scotia, whose kinsfolk, the Howells and Mullens, were among the early pioneers of the town.

David engaged extensively in lumbering and later was considered one of the best road and bridge builders in that region.

Especially was he famed for his powers to command men and get the best out of them. It was a motley crew that composed the laboring classes of those times. French Canadians, "Blue noses" and "Down riverites," men ready to fight on the slightest provocation and knowing no law. Yet even among these, his powers to command were recognized and obeyed. He occupied positions of trust in town affairs and was ever public spirited and generous.

I have a vivid recollection of him when I was in my thirteenth year as he came into our home one morning in May. I can see him now, his rotund figure clothed in gray homespun, his face beaming in good nature, with clear blue eyes, and soft curling hair. "I have been thinking," he said to Mother, "that Florence might come and teach our school this summer. There are about a dozen children and I think she won't have any trouble in managing them." I was eager to engage at once. The schools of the village would not begin until September and the long summer was before me with a deadly monotonous outlook. And so Mother consented for me to accept the proposition. The wages were one dollar and a half a week; school being in session five days one week and six the other.

I taught that school for twelve weeks and when I got my town warrant for my pay it was three months before there was any money in the treasury to pay it. And then when I did receive it, I loaned ten dollars of it to an old soldier, never thinking but that I would

We have completed the hiring process for Chandler Madore and are recommending him for appointment at the next City Council meeting in accordance with State of Maine:

Re: Recommendation for Amendment to Caribou Zoning Map

Councilors,

Pursuant to Section 13-850 of the Caribou Code;

The Caribou Planning Board held a public hearing on March 11, 2021 to consider an amendment to the Caribou Zoning Map:

Rezone a portion of Tax Map 10- Lots 39-B, 40 and 41, (450, 467 and 473 Sweden Street) from Residential 1 (R-1) to Residential 3 (R-3)

The R-1 District is intended primarily for older residential neighborhoods within convenient reach of business facilities. This district is expected to contain higher-density single-family dwellings.

The R-3 District encompasses most of the area outside the urban center and is intended for the kinds of uses more traditional in rural areas, such as farming, farm residence, and other uses not inconsistent with a generally open, non-intensive pattern of land use. The minimum lot size requirement is high, in order to prevent overdevelopment, where public sewer is not feasible and the full range of urban services cannot be provided economically.

The Caribou Planning Board received a request from Jessica and Dwayne Gagnon at 467 Sweden Street and Melissa and Alhassan Badahman at 471 Sweden Street, and in response to the Public Notice, from Judy and Bryan Corrow at 450 Sweden Street, to rezone their respective properties from R-1 to R-3, citing the desire for a more rural lifestyle and the ability to have and to keep poultry and livestock. The Caribou Planning Board agreed that the impacted area currently in the R-1 district historically has been rural in nature, consisting of former family farms and agricultural lands. Thus, the Caribou Planning Board voted in favor of sending a recommendation to the Caribou City Council that the requested change to the Caribou Zoning Map be adopted.

The Caribou Planning Board hereby requests that the City Council consider this request, and if adopted, initiate the process to amend the Caribou Zoning Map accordingly.

- I. Call Meeting to Order Meeting was called to order at 5:42 pm. Meeting was held via Zoom.
- II. Approval of Minutes from the February 11, 2021 Planning Board Meeting –

Frank McElwain moved to approve the minutes as presented.

Chairman Dan Bagley wanted to clarify one item in the minutes on page 4 to include the Board consensus on waivers. Chairman Bagley also commented a good job was done on the minutes.

Frank McElwain amended his motion to approve the minutes as presented with the requested change; seconded by Dave Corriveau.

Roll call vote.

Frank – Yes; Amanda – Yes; Christine – Yes; Eric – Yes; Drew – Yes; Dave – Yes Motion carried with all in favor.

III. Public Hearing to hear comments regarding a Zoning Change request from the property owners at 467 and 473 Sweden Street and related area from R-1 (High Density Residential District) to R-3 (Rural Residential District) and possible action –

Chairman Bagley opened the Public Hearing at 5:47 pm and introduced this item.

CEO Ken Murchison received comments from abutters in the neighborhood and read them into the record.

Brian and Karen Pelletier, 468 Sweden Street – Curious about the rezoning process but not opposed to the proposed rezoning

Nancy Beaver on behalf of Edwina Wright, 443 Sweden Street – Edwina Wright no longer owns the property and offers no opinion either for or against rezoning.

Ronnie Moir, 411 Brown Road – Farms extensively in this area and has no issues with the rezoning of the properties in question.

Brian and Judy Corrow, 450 Sweden Street – Wondered about the process for rezoning, have no issues with the rezoning request and have further requested, first verbally and then in writing, for their property to be included in the rezoning effort.

The applicants Melissa Badahman and Jessica Gagnon gave an overview of their request. They would like to rezone the land to farming and have a few small animals. They grew up farming and would like to share this with their children. Their goal is not to distress their neighbors. Others will not see the animals out back. The animals are for pets and production of food. This land was a farming zone years ago.

CEO Murchison stated that staff reviewed this request. Staff concerns was that the City Code doesn't address rezoning well. If rezoning is applied to other properties as well in the area, it won't cause spot zoning. It meets requirements to be in the R-3 zone. Lot sizes are the right size, except four properties that are not an acre that will become existing non-conforming lots. Rezoning is ok with the Comp Plan and Future Land Use Plan.

With no further comments, the Public Hearing was closed at 6:04 pm.

Chairman Bagley had concerns with the non-conforming lots created for a request of rezone for someone's personal use. CEO Murchison commented there will be further restrictions on setbacks and future development of lots. Manager Marker stated that the non-conforming is lot size; will still be residential and they can still use lots as single family uses. Although, financing may be an issue for any future sales of the homes on those lots.

Christine Solman agreed with Chairman Bagley and also has concerns with the changing of the four lots to non-conforming because of a request to rezone for someone's personal use and how it will put the four lots into a real estate issue if they try to sell their property.

Ms. Solman commented that half of the lots are I-2 and would it be possible to not rezone but place the livestock on the I-2 part of the property. Ms. Badahman & Ms. Gagnon stated that they could not use that piece of property; a four wheeler and snowmobile trail goes through there and it's way too far from water & electric for the animals.

Frank McElwain questioned the Corrow's property and why they requested to be a part of the rezone. CEO Murchison stated that they have a tree farm in the rear of their property surrounded by agriculture and that staff recommendation includes that property for rezone.

Amanda Jandreau suggested to rezone the properties that would conform and leave the four properties that would not.

Amanda Jandreau moved to send to City Council a recommendation to rezone Lots 39B, 40 and 41 on Sweden Street from R-1 zone to R-3 zone; seconded by Frank McElwain.

Roll call vote.

Frank – yes; Amanda – yes; Christine – yes; Drew – yes; Eric – yes; Dave – yes Motion carried with all in favor.

IV. Consider Chapter 13 Revisions, completed to date and possible action –

City Manager Dennis Marker went through all administrative elements in Chapter 13, Zoning Ordinance of City Code. The revisions include the rezoning request criteria. Definitions that were in the Code twice have been cleaned up and it has shortened the Code by thirty pages. Also, there is less conflicting language in the ordinance. The whole package is ready to forward to the City Council. The next components to review and revise will be processes and then standards.

MEMO

TO: Caribou City Council Members FROM: Dennis Marker, City Manager RE: 399 Madawaska Road Property

DATE: April 14, 2021

During the previous City Council meeting, the prior owner of the subject property petitioned for the Council to give the property back to her if she paid the 2018 taxes and setup a payment plan for other taxes owed. The subject property was tax acquired in 2020 due to lien foreclosure. Total taxes owed equals \$4,246.72. Notices were sent to the prior owner about taxes owed and the imposition of tax liens in accordance with state and city notification policies.

Under the city's tax acquired property policy, the prior owner had until January 31 to redeem their property by paying <u>all</u> past due taxes. The policy does not allow properties to be redeemed after the January 31 deadline if partial payments are made. The property is currently listed as one of the tax acquired properties available for public bid.

Staff recommend the Council follows the current tax acquired property disposal policy and allow the public bid process to move forward for this property.

Re: 399 Madawaska Road ~ Caribou

<u>Full Disclosure:</u> I live on the Madawaska Road so this property is in my neighborhood. I had reservations about bringing up the subject of this property as I anticipate that some would say that I have a conflict of interest. However, I feel that I would not be doing my job if I failed to bring some conditions to your attention as you consider the taxpayer's request.

History: The property at 399 Madawaska Road was purchased by Lena Giggey in October 2017. Taxes were assessed to her in 2018, 2019, and 2020. In November 2020 she lost the property through the automatic lien foreclosure process because the 2018 taxes were not paid. The accepted policy is that a property owner could pay all taxes due by January 31 to redeem the property. This was not done. The property was placed on the list of tax-acquired properties out for bid. On April 5, Ms. Giggey came into the office and I showed her where the bills had been mailed and she confirmed that was her mailing address. At the April 5 City Council meeting, Ms. Giggey expressed that she wishes to pay the 2018 taxes and make a payment arrangement for 2019 and 2020.

<u>Discussion:</u> I am providing photos of the property taken on April 6, 2021. This building has several ongoing nuisances like excessive rubbish and inoperable vehicles outside the home. The property itself is in poor condition and should be torn down. I asked the police department if there were any incident cards generated during Ms. Giggey's ownership and discovered there were six ranging from officers responding to a warrant on a serious charge in another state to several for "dog at large".

<u>Next Steps:</u> I am asking you to consider the overall condition of the property and that it is a chronic nuisance. As the tax assessor, I contend that the highest and best use of this property is to be torn down to make way for another structure. As the building official, please consider that if the structure is still there when the next list of dangerous buildings is brought forward, this property will be on that list.

MEMO

TO: Caribou City Council Members FROM: Dennis Marker, City Manager

RE: TIF funds for Façade Improvements

DATE: April 14, 2021

The spring façade improvement grant program received 10 applications. Due to limited funding only two projects were assisted with funds. The program contemplates a fall award opportunity if money is available.

Within the Economic budget are funds to be used toward seeding the city's landbank. Seeding means providing capital or collateral toward a city landbank making property improvements, renovations, or new construction on tax acquired property. Since discussions about the landbank have now leaned toward a private non-profit acting in a landbank capacity rather than the city having a dedicated landbank, these seed funds could be used for other purposes. The Council may consider using a portion of the \$23,000 of seed funds and allowing the façade improvement committee to make additional awards for 2021.

Rather than wait until fall to advertise and risk projects not getting completed this year, the committee could reconsider allocations to existing, unfunded applicants if the Council is agreeable to the additional funds and moving forward.

Without limiting the generality of the foregoing, Tenant shall (i) have the sole and exclusive right to convert all of the Solar Energy and to conduct the operations permitted hereunder (including without limitation, the installation and placement of the Project and any improvements related to the same) on, about or at the Leased Premises; and (ii) be permitted to permit, develop, test, own, erect, construct, install, relocate, repair, replace, manage, maintain, operate, remove, protect, upgrade, expand, contract and use, from time to time, Solar Energy measurement, collection, storage, conversion, generation, transmission and distribution systems of any type and in such quantity as Tenant may determine, in its sole discretion, including, without limitation, all equipment and improvements necessary or useful for the conversion of the Solar Energy into electricity.
- (b) Tenant shall use the Leased Premises only for the uses and activities described in Section 2.1(a).
- (c) During the Term, Tenant shall, at its expense, be responsible for the security and protection of the Project on the Leased Premises, and shall be responsible for the semiannual mowing of the Leased Premises; for the avoidance of doubt, Landlord shall be responsible for the costs of any additional landfill maintenance required by any permit, license or other authorization or approval governing the Leased Premises, and the landfill thereon. Tenant may, at no expense to Landlord, construct and maintain security devices on the Leased Premises which Tenant, in its sole discretion, determines are appropriate and necessary for the protection of the Project, including fencing or other security safeguards.

- (d) Landlord recognizes and acknowledges that Tenant shall have exclusive occupancy of the Leased Premises and that Tenant may, in addition: (i) clear, grade and maintain all of the ground as allowed by Maine Department of Environmental Protection review; and to import and use sand, gravel, caliche or other materials suitable for the Project, including, without limitation, for road cover to construct access roads on the Property; (ii) put safety guidelines in place covering the Leased Premises during any periods of construction, operation or maintenance work taking place on the Leased Premises; (iii) erect, test, relocate, repair, replace, maintain, operate and remove such power transmission lines, poles, anchors, support structures, underground and/or overhead cables, substations, distribution, collection, switching and Interconnection Facilities and associated equipment and appurtenances, meters, signage, fencing and roads for access and for installation and maintenance and any buildings as Tenant in its sole discretion deems to be necessary or appropriate to further the other uses provided in this Lease and to monitor, operate, produce, transmit power and transport workers, tools, material, equipment and other necessary items to and from or across the Leased Premises and other facilities for the generation, collection, storage, distribution, step-up, step-down, wheeling, transportation and sale of energy and for communications in connection with the Project; (iv) occupy, use, renovate, rebuild, demolish, and/or remove any existing structures for any and all purposes related to the Project; (v) undertake any other activities, whether accomplished by Tenant or a third party authorized by Tenant, that are reasonably necessary, useful or appropriate to accomplish any of the purposes or uses of this Lease as determined by Tenant in its sole and absolute discretion; and (vi) control and restrict access onto and over the Leased Premises and exclude others, in each case within the Leased Premises.

- (g) Tenant acknowledges that Land contains a capped sanitary landfill, subject to regulation and oversight by one or more Governmental Authorities, including but not limited to the Maine Department of Environmental Protection. In the course of installation and operation of the Project, Tenant shall not knowingly take any actions that will materially damage the landfill located on the Leased Premises by penetrating or breaching the liner of the landfill or changing the slope of the landfill. Notwithstanding the foregoing, unless such penetration or breach of the liner, or change in the slope of the landfill, is due to the negligent or willful misconduct of Tenant, Tenant shall have no liability for same hereunder. Landlord shall not damage the landfill, or permit any damage or disturbance of the landfill in any manner which could have a detrimental impact on the Project or Tenant's rights hereunder.

Section 2.2 Solar Easement

Structures and improvements located on the Land or other areas adjacent to the Leased Premises as of the Effective Date of this Lease shall be allowed to remain and Tenant may not require their removal. The Landlord shall not be obligated by reason of the grant of the Solar Easement or otherwise pursuant to this Section 2.2 to remove, trim or maintain any naturally occurring vegetation on the Leased Premises, the Land or any adjacent areas, but Tenant shall have the right at its sole cost to trim any vegetation on the Land or any adjacent areas owned by Landlord that is obstructing access to sunlight at the Collection Point, and the right to access the Land for such purpose.

Upon Tenant's request, Landlord shall promptly execute and deliver such documents and instruments, including, without limitation, an amendment to this Lease evidencing the grant of the Interconnection Easement over portions of the Land, which such locations shall be determined in the sole discretion of the Tenant.

For the purposes of this Lease, the Initial Term as the same may be extended with any Renewal Term(s) pursuant to Section 3.1(b) shall be collectively referred to as the "Term."
- (b) Tenant shall have the right, subject to the provisions hereinafter provided, to extend the Initial Term for four (4) additional renewal terms of five (5) consecutive years (each such five (5) year period, a "Renewal Term,") on the same terms and conditions herein, provided that Tenant notifies Landlord in writing of its election to exercise the right to renew this Lease for such Renewal Term(s) (i) if it is the first election to exercise a Renewal Term, any time during the Initial Lease Term, but no later than ninety (90) days prior to the expiration of the Initial Lease Term, and (ii) if it is a subsequent election to exercise a Renewal Term, any time during the previous Renewal Term, but no later than ninety (90) days prior to the expiration of such previous Renewal Term.

- (a) Upon thirty (30) days' prior written notice by Tenant at any time prior to the Operational Period;

If Landlord is assessed any taxes related to the existence of the Project on the Leased Premises, Landlord shall immediately notify Tenant. Landlord and Tenant shall cooperate in contesting any such assessment at Landlord's sole cost and expense; provided that Landlord shall pay such taxes to avoid any penalties or interest on such taxes, subject to reimbursement by Tenant. If after the resolution of the matter, such tax is found to be properly imposed upon Tenant, Tenant shall reimburse Landlord for such tax upon written notice by Landlord. For the avoidance of all doubt, in no event shall Tenant be required to pay, directly or indirectly, any inheritance, estate, or profit taxes that are or may be imposed upon Landlord, its successors or assigns, and in all events Landlord shall be responsible to pay that portion of the real property taxes, if any, assessed with respect to the value of any improvements on the Land located outside the Leased Premises and not constructed by or on behalf of Tenant. . Further, notwithstanding any other provision of this Section 4.2, Tenant shall not be obligated to pay for (i) any income taxes attributable to Landlord; or (ii) any increase in the assessed value of the Leased Premises for tax purposes.
- (b) All (i) tax credits, tax incentives or tax related grants or benefits and any and all property tax abatement pursuant to Applicable Law ("<u>Property Tax Provisions</u>") and (ii) renewable energy credits or other environmental attributes, credits or incentives, in each case, relating to the Project are, and shall remain, the sole property of Tenant.
- (c) Landlord shall reasonably cooperate with Tenant, to minimize any taxes related to the Project that are due from Tenant, including without limitation, taking any steps necessary to reasonably assist in the securing of property tax exemptions pursuant to the Property Tax Provisions. Further Landlord represents that it has not claimed, and shall not claim, any exemptions under Property Tax Provisions without the express written consent of the Tenant.

ARTICLE V Tenant's Representations, Warranties and Covenants

Tenant covenants, represents and warrants to Landlord as follows:

Section 5.1 Liens

Tenant shall keep the Leased Premises free and clear of all liens and claims of liens for labor, materials, services, supplies, and equipment performed on or furnished to Tenant or the Project in connection with Tenant's use of the Leased Premises. Tenant may contest any such lien, but shall post a bond or utilize other available means to remove any lien, which is created during the contested proceeding.

Tenant agrees to otherwise remove any lien or encumbrance for which it is responsible pursuant to this paragraph within ninety (90) days after Tenant's receipt of notice of any such lien or encumbrance.

Section 5.2 Permits and Laws

Tenant and its designees shall at all times comply, and cause their employees, contractors and agents to comply, in all material respects with all Applicable Law with respect to Tenant's activities pursuant to this Lease.

Section 5.3 Tenant's Improvements

- (a) All components of the Project constructed, installed, or placed on the Leased Premises by Tenant pursuant to this Lease shall be the sole personal property of Tenant, shall not be or become fixtures, and Landlord shall have no ownership interest in the Project or any components thereof. Landlord hereby expressly waives all statutory and common law liens or claims that it might otherwise have in or to the Project or any portion thereof and agrees not to restrain or levy upon such property or assert any lien, right of restraint or other claim against the same. Without mitigation of the foregoing, Tenant, in its sole discretion, shall be entitled to file one or more precautionary financing statements, including fixture filings in such jurisdictions as it deems appropriate with respect to the Project.
- (b) All components of the Project constructed, installed, or placed on the Leased Premises by Tenant pursuant to this Lease may, subject to compliance with any other applicable limitations provided herein, be moved, replaced, repaired, or refurbished by Tenant on the Leased Premises at any time without Landlord's consent. Unless otherwise agreed to in writing by Landlord, upon the termination of this Lease, Tenant shall remove all of the components of the Project (except for replacement of any trees or shrubbery removed by Tenant and removal of any mounting pads, support structures and access roadway constructed by Tenant) and shall reclaim and restore to the extent practicable the Leased Premises to its condition prior to installation of the Project, reasonable wear and tear excepted, within sixty (60) days after this Lease terminates ("Decommissioning Period"). During the Decommissioning Period, Landlord grants Tenant a license to access the Leased Premises solely for the purpose of performing its obligations to decommission the Project and restore the Leased Premises in accordance with this section. If Tenant fails to remove any component of the Project required to be removed in accordance with this Section 5.3 within the Decommissioning Period, or if Landlord agrees to waive the requirement for Tenant to remove one or more components of the Project, such components of the Project may be considered, at Landlord's option, as abandoned by Tenant and Tenant hereby relinquishes any and all right, title and interest in and to any such property in such event. Landlord may retain or remove any components of the Project deemed abandoned by Tenant from the Leased Premises and use or dispose of them in its sole discretion without notice or liability to Tenant. If Landlord incurs costs to decommission and remove any of the components of the Project due to Tenant's failure to do so within the Decommissioning Period, Tenant hereby agrees to indemnify Landlord for such costs and agrees to reimburse Landlord for those amounts reasonably incurred.
- (c) Tenant shall demonstrate financial assurance of decommissioning by providing a cash payment paid into an escrow account established with the Landlord, or a performance bond, a security bond or a letter of credit (hereafter "Guarantee") in favor of the Landlord. Such guarantee shall be secured annually in the amount of \$125,000 divided by the number of years in the Initial Lease Term and for the full amount thereafter during any Renewal Term.

The Guarantee or any portion thereof shall survive in Landlord's favor upon any assignment of this Lease by Tenant as provided in Section 8. Landlord will release the bond obligation proportionally to decommissioning work completed minus a 10% retainer to be held until substantial completion of the work. If Tenant fails to remove any component of the Project required to be removed in accordance with Section 5.3 within the Decommissioning Period, Landlord may use the Guarantee to complete the decommissioning process following written notice to Tenant and providing Tenant with a reasonable time period to address such removal requirement. If Landlord incurs costs which exceed the Guarantee, Tenant hereby agrees to indemnify Landlord for such reasonable out of pocket costs actually incurred by Landlord and agrees to reimburse Landlord for those amounts.

Section 5.4 Hazardous Materials

- (a) Tenant shall not use, dispose of, or release on the Leased Premises any Hazardous Material, except in such quantities as may be required in its normal business operations and in full compliance with all applicable Environmental Laws. Tenant shall, and shall cause its agents and contractors to, comply in all respects with applicable Environmental Laws and regulations. Tenant agrees to indemnify, defend, and hold harmless Landlord and its members, officers, directors, employees, and agents from any Environmental Liabilities and Obligations or other claims, costs, penalties or liabilities incurred or arising as a result of its failure to abide by and/or perform its obligations hereunder.
- (b) Landlord and Tenant acknowledge and agree that Tenant shall not be liable for any conditions on the Land or any Environmental Liabilities and Obligations (i) arising from or related to acts or omissions occurring prior to the Effective Date (and including, without limitation, any matters related to the landfill situated on the Land), or (ii) Hazardous Materials which are present prior to the Effective Date, or which are brought onto the Land by Landlord or its employees, agents or contractors during the Term, and no costs incurred in connection with the clean-up, removal, or treatment of such excluded Hazardous Materials shall be allocated to Tenant.

Section 5.5 Insurance

Tenant shall procure and maintain, at its cost and expense, in full force and effect throughout the term of this Lease, policies of insurance described in Exhibit D — Insurance Requirements attached hereto and incorporated herein by reference. Such insurance coverage for the Project and the Leased Premises may be provided as part of a blanket policy provided the limits required herein apply separately to occurrences related to the Project and Tenant's activities on the Leased Premises. Any such policies providing for liability coverage shall name Landlord as an additional insured. All policies shall provide for thirty (30) days' prior written notice to Landlord of any cancellation, contain a waiver of subrogation clause, and be issued by an insurance company with an A.M. Best rating of at least A-. Tenant shall provide Landlord with certificates of insurance, as well as additional insured endorsements, evidencing this coverage prior to the Effective Date and annually during the Term; provided, however, that upon Landlord's request, Tenant shall provide Landlord with copies of all applicable policies and endorsements.

ARTICLE VI Landlord's Representations, Warranties and Covenants

Landlord covenants, represents, and warrants to Tenant as follows:

Section 6.1 Title and Authority

Landlord is the sole owner of the Leased Premises in fee simple subject only to permitted exceptions listed on Exhibit E attached hereto and made a part hereof (collectively, the "Permitted Exceptions"). Each person or entity signing the Lease on behalf of Landlord has the full and unrestricted authority to execute and deliver this Lease and to grant the easement and rights granted herein. The execution, delivery and performance of the Lease have been duly and validly authorized by all necessary action by the Landlord. When signed by Landlord, this Lease constitutes a valid and binding agreement enforceable against Landlord in accordance with its terms. There are no leases, options to purchase, license agreements, third party rights to use or possess the Leased Premises, or, any encumbrances or liens against the Leased Premises except the Permitted Exceptions.

Section 6.2 Quiet Enjoyment

Tenant shall have the quiet use, possession and enjoyment of the Leased Premises in accordance with the terms of this Lease without disturbance¹. Landlord shall not, nor shall Landlord authorize or contractually enable any other party to use or possess the Leased Premises such that it would interfere with the use of the Leased Premises by Tenant for the purposes set forth herein. Nonetheless, Tenant agrees to provide Landlord with access to the Lease Premises in order to inspect and maintain the Property in accordance with Maine DEP requirements as a landfill. Landlord shall not access the fence enclosed portion of the Leased Premises without first notifying Tenant and providing Tenant with the opportunity to accompany Landlord during such access.

Section 6.3 Cooperation

Landlord agrees, at Tenant's request, cost and expense, to cooperate and to execute all documents, permits, petitions and statements reasonably necessary in connection with Tenant's efforts to obtain all necessary zoning, land use and other approvals for the development, construction and operation of the Project on the Leased Premises, including Tenant's efforts to interconnect the Project with the local electric utility.

Section 6.4 [Reserved]

Section 6.5 No Brokers

Neither Landlord nor any affiliate of Landlord nor any of their respective officers, directors, or employees has employed any broker or finder or incurred any liability for any brokers' fees, commissions or finders' fees as a result of the execution of this Lease.

Section 6.6 Condition of Property.

(a) Landlord has no actual knowledge that the Leased Premises is not suitable for the installation, construction and operation of the Project or that there are any site conditions or construction requirements, including, without limitation, any Environmental Condition that would increase the cost of installing the Project on or at the Leased Premises or create any potential additional liabilities for Tenant. For the purposes of this Lease, the term

¹ NTD Landlord – The use of "quiet" here is a legal term of art, meaning that Tenant's possession of the Leased Premises will be undisturbed in accordance with the Lease terms. There is no objection to noise created by ATVs.

"Environmental Condition" shall mean any of the following; (a) the violation or alleged violation of any Environmental Laws at or on the Leased Premises; (b) the Release (past or present) or potential Release of any Hazardous Material at, on or from the Leased Premises; and/or (c) any other environmental matter adversely affecting the Leased Premises (and including, without limitations, any matters related to the landfill located on the Land), in each case, except as directly caused by Hazardous Materials brought onto the Property by or on behalf of Tenant. Landlord further represents and warrants to Tenant that it has no knowledge of any claim having been made by any Governmental Authority that a violation of Applicable Laws (including Environmental Laws) exists with regard to the Land, or any part thereof, as of the Effective Date.

- (b) Landlord acknowledges and agrees that upon execution of this Lease it retains ownership and control of the landfill and all operations, maintenance, monitoring, permitting and compliance matters related thereto, and that this Lease does not in any way transfer ownership or control of the landfill to Tenant, implicate Tenant as an "operator", "responsible party" or "potentially responsible party" (as such terms are defined by applicable Environmental Laws) of the landfill, delegate to Tenant any obligations or liabilities of an "operator", "responsible party" or "potentially responsible party" of the landfill, or otherwise subject Tenant to any Environmental Liabilities and Obligations with respect to the landfill. Landlord acknowledges that Landlord shall at all times, and at its sole cost and expense and obligation, keep and maintain the landfill in strict compliance with all Applicable Laws and all applicable permits, licenses and other authorizations and approvals related thereto. Landlord further acknowledges and agrees that notwithstanding anything herein to the contrary, Tenant shall have no obligation to reimburse or fund any costs of Landlord to the extent that they are incurred defending against claims relating to the landfill area of the Leased Premises and/or the actions or inactions of Landlord in relation to the landfill and/or any other Landlord obligations imposed under this Lease.
- (c) Landlord has no actual knowledge that there has been any Release and no Hazardous Materials have been manufactured or are present on the Land except in accordance with Environmental Laws.
- (d) Landlord agrees to defend, indemnify, and hold Tenant, and its members, officers, directors, employees, contractors and agents harmless from and against all Environmental Liabilities and Obligations related to pre-existing contamination or the operation, maintenance and permitting of the landfill, except to the extent such Environmental Liabilities and Obligations arise out of Hazardous Materials brought onto the Leased Premises by Tenant or its agents, employees or contractors after the Effective Date.

Section 6.7 Legal Proceedings.

- (a) Except as otherwise disclosed in Tenant in writing prior to the Effective Date, neither Landlord nor any affiliate of Landlord is a party to any, and to Landlord's actual or constructive knowledge, there are no pending or threatened legal, administrative, arbitral or other proceedings, claims, actions or governmental or regulatory investigations of any kind or nature whatsoever pertaining to the Land or challenging the validity or propriety of this Lease and/or transactions contemplated in this Lease.
- (b) Except as otherwise disclosed in Tenant in writing prior to the Effective Date, there is no injunction, writ or governmental order, judgment or similar decree applicable to Landlord or any of its affiliates which imposes any restrictions on Landlord or any of its affiliates

with respect to the Lease, the Leased Premises or the rights provided to Tenant hereunder.

(c) There are no bankruptcy, insolvency, reorganization, receivership or other comparable proceedings pending or being contemplated by or against Landlord or any of Landlord's assets nor are any being contemplated by Landlord or threatened against Landlord or any of Landlord's assets.

Section 6.8 Restrictive Covenants.

Landlord has not received any written notice that the Land is not in compliance with any restrictive covenants or deed restrictions affecting the Leased Premises or any governmental requirements regarding zoning, building, health, traffic, flood control, fire safety or handicap access.

Section 6.9 Insurance

Landlord shall maintain throughout the Term, policies of insurance customary to the property and by virtue of the Landlord being a governmental entity in the State of Maine.

ARTICLE VII Indemnification

Section 7.1 Indemnification by Tenant

In addition to the environmental related indemnification provided in Section 5.4(a), Tenant agrees to defend, indemnify, save and hold harmless the Landlord and Landlord's officers, directors, shareholders, members, managers, employees, attorneys, representatives, mortgagees, and agents (collectively the "Landlord Indemnified Parties") from and against any and all claims, actions, demands, and liabilities for physical damage to property or injury to any person, including but not limited to any employees of Tenant, or any other losses, damages or expenses (including without limitation reasonable attorneys' fees) of the Landlord Indemnified Parties, in each case to the extent resulting from or arising out of (i) any negligent or intentional act or omission on the part of the Tenant, its employees, contractors or agents or (ii) any breach of this Lease by the Tenant. This indemnification shall not apply to losses, damages, claims, expenses, and liabilities to the extent caused by any negligent or intentional act or omission on the part of any Landlord Indemnified Party. This indemnification shall survive the termination of this Lease.

Section 7.2 Indemnification by Landlord

In addition to the environmental related indemnification provided in Section 6.6(b), Landlord agrees to defend, indemnify, save and hold harmless the Tenant and Tenant's officers, directors, shareholders, members, managers, employees, attorneys, representatives, mortgagees and agents (collectively, the "Tenant Indemnified Parties") from and against any and all claims, actions, demands, and liabilities for physical damage to property or injury to any person, including but not limited to any employees of Landlord, or any other losses, damages or expenses (including without limitation reasonable attorneys' fees) of the Tenant Indemnified Parties, in each case to the extent resulting from or arising out of (i) any negligent or intentional act or omission on the part of Landlord, its employees, contractors or agents; or (ii) any breach of this Lease by the Landlord. This indemnification shall not apply to losses, damages, claims, expenses and liabilities to the extent caused by any negligent or intentional act or omission on the part of any Tenant Indemnified Party. This indemnification shall survive the termination of this Lease.

NOTWITHSTANDING THE ABOVE, THE LANDLORD'S OBLIGATION TO DEFEND, INDEMNIFY SAVE AND HOLD HARMLESS TENANT SHALL NOT EXTEND TO ANY MATTER FOR WHICH LANDLORD IS IMMUNE FROM LIABILITY UNDER THE MAINE TORT CLAIMS ACT.

Section 7.3 Limitation on Damages

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS LEASE, NEITHER PARTY SHALL BE ENTITLED TO, AND EACH OF LANDLORD AND TENANT HEREBY WAIVES ANY AND ALL RIGHTS TO RECOVER, CONSEQUENTIAL, INCIDENTAL, AND PUNITIVE OR EXEMPLARY DAMAGES, HOWEVER ARISING, WHETHER IN CONTRACT, IN TORT, OR OTHERWISE, IN CONNECTION WITH THIS LEASE. THE FOREGOING LIMITATION WILL NOT BE CONSTRUED AS LIMITING THE INDEMNIFICATION OBLIGATIONS OF EITHER PARTY WITH RESPECT TO THIRD PARTY CLAIMS PROVIDED IN THIS SECTION 7 OR ANY LOSSES ARISING OUT OF THE FRAUD OR WILLFUL MISCONDUCT OF THE INDEMNIFYING PARTY. LANDLORD HEREBY AGREES THAT THE VALUE OF ANY LOST ELECTRIC REVENUES, ENVIRONMENTAL ATTRIBUTES AND INCENTIVES AND TAX INCENTIVES AND BENEFITS ARE DIRECT DAMAGES TO TENANT AND SPECIFICALLY RECOVERABLE UNDER THIS ARTICLE VII.

Section 7.4 Waiver of Jury Trial

EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON THIS LEASE, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. EACH OF THE PARTIES TO THIS LEASE WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THIS PROVISION IS A MATERIAL INDUCEMENT TO EACH OF THE PARTIES FOR ENTERING INTO THIS LEASE.

ARTICLE VIII Assignment; Encumbrance

Section 8.1 Right of Tenant to Encumber

- (a) Tenant may at any time mortgage all or any part of its interest in the Lease and rights under this Lease or enter into a collateral assignment of all or any part of its interest in the Lease or rights under this Lease to any entity providing financing for the Project (each such entity, a "Lender") without the consent of Landlord. If requested by Tenant in connection with such collateral assignment, Landlord will deliver to Lender a consent to assignment containing the provisions in Exhibit C, or such other provisions as may be mutually agreed. Tenant will provide prompt notice to Landlord of any mortgage or collateral assignment made pursuant to this Section 8.1(a).
- (b) Notwithstanding any provision of Section 8.2 to the contrary, in connection with the exercise of the rights of Tenant's rights hereunder, Tenant, shall also have the right, with

Landlord's prior written consent, which shall not be unreasonably withheld, conditioned, or delayed: (a) to grant directly to, or (b) cause Landlord to promptly grant to, any party (each such party a "Grantee") Additional Rights, which rights may be permanent rights that extend beyond the Term. "Additional Rights" mean any right or interest to be granted in or to the Leased Premises that is reasonably necessary for the exercise of Tenant's use of the Leased Premises with respect to and serving the Project, including, without limitation, easements and similar associated rights to construct, operate, and maintain transmission, collection, distribution, interconnection or switching lines or facilities with respect to and servicing the Project pursuant to a standard form of easement or other similar agreement, lot line adjustments, lot line mergers, right-of-way dedications, or rights of abandonment. It is agreed that it would be unreasonable for Landlord to withhold, condition, or delay its consent to any of the Additional Rights to the extent that the grant of the right or interest is necessary with respect to and serving the Project. At Tenant's election and subject to the foregoing, Landlord agrees to (i) grant any approved Additional Rights directly to Grantee or (ii) convey title to such portion of the Leased Premises to the Grantee by deed or other conveyance after mutually agreed terms and compensation is provided. Landlord also agrees to promptly take actions and deliver all documents reasonably required to effectuate the Tenant's use of the Property, including any documents required by a Governmental Authority.

Section 8.2 Assignment

- (a) Tenant shall not have the right to assign, sublease, transfer, or convey all or any part of its interests in or obligations under this Lease without Landlord's prior written consent; provided, that without Landlord's consent Tenant may (i) collaterally assign or mortgage its rights under this Lease to any Lender in accordance with Section 8.1, (ii) assign this Lease to any purchaser of the Project, to any entity succeeding to all or substantially all of the assets of Tenant, or to any entity in connection with a tax equity financing, provided the assignee or transferee shall be subject to all of the obligations, covenants, and conditions applicable to the Tenant.
- (b) Landlord may assign this Lease without consent in connection with any transfer or conveyance of Landlord's interests in the Leased Premises made in accordance with Section 8.3.
- (c) Any purported assignment of this Lease not permitted by this Section 8.2 shall be void.

Section 8.3 Landlord's Transfer or Encumbrance of Leased Premises

(a) Landlord may transfer, sell or convey the Leased Premises to any person or entity, with the prior written consent of Tenant, which shall not be unreasonably withheld, conditioned or delayed; provided, however, that Landlord may, without Tenant's prior written consent sell a fee interest in the Leased Premises to an affiliate of Landlord, and in any such event of transfer, sale or conveyance, this Lease and the leasehold interest, easements and other interests created herein shall survive such transfer, sale or conveyance and continue in effect with respect to the Leased Premises and the Land. Landlord will notify Tenant of any transfer, sale or conveyance of the Leased Premises permitted hereunder, and Tenant shall, if so requested, provide written acknowledgement of its attornment to the transferee thereof, provided such transferee agrees to assume all obligations of Landlord in the Lease. Upon transfer of the Leased Premises and assumption of this Lease by the transferee

- thereof in accordance with this Section 8.3(a), Landlord shall have no further obligations or liability under this Lease, other than liabilities accrued prior to such transfer.
- Landlord may mortgage, pledge, grant a lien on, collaterally assign or grant a deed of trust (b) on, in or over the Leased Premises (any such mortgage, pledge, lien, collateral assignment or deed of trust a "Fee Mortgage") to any Person that provides financing to Landlord without the prior written consent of Tenant only if (i) Landlord shall procure from any such mortgagee for the benefit of Tenant and Tenant's Lenders and financing parties an SNDA acknowledging (A) the Tenant's continuing right to occupy and use the Leased Premises in accordance with this Lease upon any foreclosure or exercise of rights by such mortgagee, and (B) such mortgagee has no interest in the equipment comprising the Project and shall not gain any such interest as a result of the grant of the mortgage or any exercise of remedies by such mortgagee; (ii) the grant of such Fee Mortgage shall be subordinate to and shall not be a lien prior to this Lease or any mortgage placed thereon; and (iii) any such Fee Mortgage shall be subject to the terms of this Lease. In any event, no Fee Mortgage shall give any such assignee (x) any greater rights than Landlord hereunder; or (y) the right to cancel the Lease unless there is an Event of Default on the part of Tenant (which remains uncured by either Tenant or the Leasehold Mortgagee) which, under the terms of this Lease, gives Landlord a right to cancel this Lease. As used in this Lease, the term "Fee Mortgagee" collectively includes any commercial bank, trust company or national banking association or other financial institution, the United States agency or branch of a foreign bank, any insurance company, employees' pension or retirement fund system, corporate profit-sharing or pension trust, any publicly traded real estate investment trust, a "hedge fund" or "private equity fund" or other person or entity that from time to time provides financing to or for the benefit of Tenant or its affiliate, and any agent, security agent, collateral agent, indenture trustee, loan trustee, loan participant or participating or syndicated lenders involved in whole or in part in such financing, and their respective representatives, successors and assigns.

ARTICLE IX Condemnation; Force Majeure

Section 9.1 Condemnation

- (a) If all of the Leased Premises are taken by eminent domain, or any material portion of the Leased Premises is taken by eminent domain, and as a result of such taking, the continued construction, installation or operation of the Project on the Leased Premises would become impossible or impracticable, then Tenant shall have the option to terminate this Lease as of the effective date of such taking, and upon such termination neither Party shall have any further obligations other than with respect to the distribution of proceeds as set forth in Section 9.2 below, the obligation of Tenant to remove the Project as set forth in Section 5.3 below, or any payment or indemnification obligations of either Party accrued prior to termination. For purposes of this Section 9.1(a), a partial taking shall not be deemed to have rendered construction, installation or operation of the Project impossible or impracticable if, after giving effect to such taking, the Project's generating capacity has been reduced by less than 25%.
- (b) If any portion of the Leased Premises is taken by eminent domain but this Lease has not been terminated in accordance with subsection (a) or (b) above, then the Parties shall use

commercially reasonable efforts to amend this Lease to reflect any necessary reduction or, at the mutual agreement of the Parties, relocation of the Project which will preserve the value and benefit of the Lease to Tenant to the extent possible following such taking.

Section 9.2 Proceeds

In the event any award or payment is made in connection with a taking by eminent domain, Tenant shall be entitled to that portion of such award, equal to (i) the reasonable costs of removing or relocating the Project or any components of the Project, (ii) the loss of the Project or any components of the Project, or (iii) the ability of Tenant to operate the Project on the Leased Premises pursuant to this Lease; and (iv) any loss of income from the Project and loss of goodwill. Tenant shall have the right to participate in any condemnation proceedings, including settlement and negotiations, to the extent affecting Tenant's portion of such award, and Landlord shall not enter into any binding settlement agreement without the prior written consent of Tenant in connection with such proceedings. All other awards or payments made in connection with a taking by eminent domain, including without limitation any award made in respect of the fee simple interest in the Leased Premises or the rent payable to Landlord pursuant to this Lease, shall be the exclusive property of Landlord.

Section 9.3 Waiver Relating to Condemnation

The Parties intend that the provisions of this Lease shall govern their respective rights and obligations in the event of a condemnation. Accordingly, but without limiting any right to terminate this Lease to the extent expressly provided in this Lease, Landlord and Tenant each hereby waive the provisions of any Applicable Law allowing either Party to petition for a termination of this Lease upon a partial taking of the Leased Premises or any improvements thereon.

Section 9.4 Casualty

If during the Term, all or part of the Leased Premises or the Tenant's improvements are damaged by fire, wind, flood, earthquake or other casualty, with the result that, in Tenant's sole and absolute discretion, it would not be commercially or economically reasonable or desirable to repair and restore the Leased Premises and Tenant's improvements, then Tenant may terminate this Lease by providing Landlord with written notice of the same and vacating the Leased Premises in compliance with Section 5.3(b) hereof. Upon such termination, except for any obligations which have accrued prior to the termination of this Lease or any indemnity obligations which shall survive any termination of this Lease, Landlord and Tenant shall have no further rights, liabilities or obligations hereunder or otherwise with respect to this Lease. Tenant, or its successor in interest, shall be entitled to 100% of any proceeds from casualty insurance policies maintained by Tenant.

Section 9.5 Waiver Relating to Casualty

If there is any damage to or destruction of the Leased Premises or the Project, this Lease shall not terminate. The Parties hereto intend that this Lease fully govern all of their rights and obligations in the event of any damage or destruction of the Leased Premises and the Project, and, accordingly, the Landlord and Tenant each hereby waives the provisions of any Applicable Law permitting the termination of a lease agreement in the event of damage or destruction under any circumstances.

Section 9.6 Force Majeure

Neither Party will be required to perform its obligations under this Lease to the extent and for the time that performance thereof is prevented by reason of any occurrence beyond such Party's control that

could not be avoided through the exercise of reasonable diligence (each such occurrence, a "<u>Force Majeure Event</u>"), including without limitation any act of God, pandemics or epidemics, strike national or regional in scope, delay in receiving any permit or other action of any Governmental Authority (except to the extent attributable to the acts or omissions of the affected Party), flood, earthquake, hurricane, or fire. The Party affected by any such occurrence will give prompt notice thereof to the other Party, keep the other Party notified of its efforts to remedy such occurrence, and resume performance of its obligations as soon as such performance is no longer prevented.

ARTICLE X Default

Section 10.1 Events of Default

Each of the following shall constitute an event of default (an "Event of Default") by a Party:

- (a) any failure by such Party to pay any amounts required to be paid pursuant to this Lease when due, if the failure to pay continues for sixty (60) days after written notice from the other Party;
- (b) such Party makes an assignment of this Lease other than as permitted by Section 8.1 or 8.2.
- (c) any representation or warranty made by such Party in this Lease is false or misleading in any material respect when made or when deemed made;
- (d) such Party fails to observe or perform any other material obligation of such Party in this Lease, which failure continues for a period of thirty (30) days after written notice of default from the other Party or, if the nature of such default is such that cure will take longer than thirty (30) days and such Party initiates such cure within thirty (30) days, then the period of time necessary to effect such cure (not to exceed ninety (90) days in total) as long as such Party is making continuous and diligent efforts to cure during that time and the extension of such cure period would not result in damage to any person or property or result in the violation of any Applicable Law; and
- (e) such Party initiates any voluntary petition for bankruptcy, reorganization, insolvency, liquidation, or receivership, or any such petition is initiated against such Party by a third party and not dismissed within sixty (60) days;

Section 10.2 Remedies

Upon the occurrence and during the continuation of an Event of Default by a Party, the other Party may (i) cure such Event of Default, in which event the other Party shall reimburse the curing Party on demand for all sums so expended by the curing Party; (ii) enforce by all proper and legal suits and other means, its rights hereunder and pursue any other rights it may have in law or equity; and (iii) terminate this Lease by notice to the other Party, which notice will be effective upon receipt or such other date as may be specified therein.

Section 10.3 Surrender

Upon the termination or expiration of this Lease, Tenant shall peaceably surrender the Leased Premises to Landlord and, as and to the extent set forth in Section 5.3, remove all of the components of the Project from the Leased Premises and restore the Leased Premises at Tenant's expense (except where this

Lease is terminated by Tenant for a Landlord Event of Default, in which case, Landlord shall be fully responsible for the costs and expenses of such removal and restoration).

Section 10.4 Specific Performance

Landlord acknowledges and agrees that should Landlord breach any of its obligations hereunder or otherwise fail to permit Tenant to exercise any of the rights and privileges granted herein, Tenant shall have the right to specific enforcement of this Lease, in addition to all of Tenant's remedies at law, in equity or under this Lease.

Section 11.6 Waiver

Neither Party shall be deemed to have waived any provision of this Lease or any remedy available to it unless such waiver is in writing and signed by the Party against whom the waiver would operate. Any waiver at any time by either Party of its rights with respect to any rights arising in connection with this Lease shall not be deemed a waiver with respect to any subsequent or other matter.

Section 11.7 Relationship of Parties

The duties, obligations and liabilities of each of the Parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Landlord and Tenant or to impose any partnership obligation or liability or any trust or agency obligation or relationship upon either Party. Landlord and Tenant shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other Party.

Section 11.8 Confidentiality

The Parties acknowledge that during the course of the performance of their respective obligations under this Lease, either Party may need to provide information to the other Party, which the disclosing Party deems to be confidential, proprietary, or a trade secret. Any such information, which is marked confidential or otherwise indicated as confidential, shall be treated confidentially by the receiving Party and shall not be disclosed to any other person without the prior consent of the disclosing Party. The receiving Party agrees that it shall make disclosure of any such confidential information only to attorneys, consultants, or agents (each individually its "Representative" and collectively, its "Representatives") to whom disclosure is reasonably necessary during the course of the performance of their respective obligations under this Lease. The receiving Party shall appropriately notify such Representatives that the disclosure is made in confidence and shall be kept in confidence in accordance with this Lease. The receiving Party shall be responsible for the failure of such Representatives to comply with the terms hereof. The terms and conditions of this Lease shall be deemed confidential and subject to the provisions of this Section 11.8.

Section 11.9 Counterparts

This Lease may be executed in two or more counterparts and by different Parties on separate counterparts, all of which shall constitute one and the same agreement and each of which shall be deemed an original, and may be delivered by electronic mail.

Section 11.10 Memorandum of Lease

Landlord and Tenant shall execute in recordable form, and Tenant shall then record, a "Memorandum of Lease" in the form attached as Exhibit B. Such Memorandum of Lease will be executed by the Parties simultaneously with this Lease and recorded in the real estate records of the county or counties where the Leased Premises is located. Upon the termination or expiration of this Lease, Tenant shall upon request deliver termination of lease documentation in appropriate form for recording. Tenant hereby grants Landlord a power of attorney, coupled with an interest, to sign such documentation on Tenant's behalf as may be required to record the termination of this Lease in the event Tenant fails to deliver such documentation upon request.

Section 11.11 Survival

The provisions of Section 5.3, Section 5.4, Article VII, Section 10.1, Section 10.3, this Article XI, and any other indemnification or payment obligations accrued prior to termination, shall survive any termination of this Lease.

Section 11.12 Construction

The Parties agree that any rule of construction to the effect that ambiguities are to be resolved in favor of either Party shall not be employed in the interpretation of this Lease and is hereby waived.

Section 11.13 Partial Invalidity

Should any provision of this Lease be held, in a final and unappealable decision by a court of competent jurisdiction, to be either invalid, void, or unenforceable, the remaining provisions hereof shall remain in full force and effect, unimpaired by the holding. Notwithstanding any other provision of this Lease, the Parties agree that in no event shall the term of this Lease be longer than, respectively, the longest period permitted by applicable law.

The Parties agree and acknowledge that time is of the essence in the performance by each Party of its obligations herein.

Section 11.15 Estoppel Certificate

Each Party acknowledges that the other Party may from time to time request an estoppel certificate in connection with any financing, sale, or investment in connection with such Party's interest in this Lease and the Project. Each Party agrees that, if requested by the other Party on behalf of any third party with whom such requesting Party is undertaking any such transaction, the other Party agrees to address such matters in an estoppel to be provided, to the extent that the request is commercially reasonable.

FORM OF CONSENT AND AGREEMENT

LANDLORD CONSENT, AGREEMENT AND ESTOPPEL CERTIFICATE

THIS LANDLORD CONSENT, AGREEMENT AND ESTOPPEL CERTIFICATE (this "Consent and Agreement"), dated as of [______] is by and among City of Caribou, an incorporated municipality of Aroostook County in the State of Maine (the "Landlord"), SynerGen Caribou, LLC, a Maryland limited liability company (the "Tenant"), and [__], ("Lender").

RECITALS

WHEREAS, Landlord and Tenant entered into that Land Lease dated as of [__], (as amended, supplemented, modified and in effect from time to time, collectively the "Lease") covering certain land owned by Landlord in the City of Caribou, Aroostook County, Maine;

WHEREAS, the Tenant and the Lender have entered into the [Credit Agreement] dated as of [__], (as amended, modified, supplemented, and in effect from time to time, the "Credit Agreement") pursuant to which the Lender has agreed to finance certain expenditures in connection with the Project that Tenant is developing;

WHEREAS, it is a condition precedent to the obligations of the Lender under the Credit Agreement that the Tenant execute and deliver (i) a [Mortgage, Deed of Trust, Security Agreement, Assignment and Financing Statement] dated as of [__], pursuant to which the Tenant will mortgage, pledge, grant a lien on and security interest to Lender in Tenant's interests in the Lease, (ii) a [Security Agreement] granting to the Lender a security interest in all of the improvements, fixtures, equipment and other personal property now or hereafter owned by the Tenant now or hereafter located on the Leased Premises or the Interconnection Easement Land (the "Personal Property"), (iii) and other related security documents and instruments (the agreements and instruments described in clauses (i), (ii) and (iii), as the same may be amended, modified, supplemented, and in effect from time to time, are collectively herein called the "Security Documents"), all as collateral security for the performance and observance of the obligations of the Tenant under the Credit Agreement;

WHEREAS, pursuant to the terms of the Lease, the Tenant is permitted to pledge, grant a lien on and assign the Lease to the Lender; and

WHEREAS, it is the condition precedent to the advancement of funds under the Credit Agreement that the Parties shall have executed this Consent and Agreement.

NOW, THEREFORE, Landlord, Tenant and Lender agree as follows:

- 1. <u>Definitions</u>. Unless otherwise defined, all terms used herein which are defined in the Lease (whether by reference to another agreement or otherwise) shall have their respective meanings as so defined.
- 2. Representations and Warranties. The Landlord hereby represents and warrants to the Lender that:
- a. The Landlord is an incorporated municipality of Aroostook County in the State of Maineduly organized, validly existing and in good standing under the laws of the State of Maine, is qualified to do business and in good standing in the State of Maine, and has all requisite power and authority to conduct its business, to own its properties, and to execute and deliver, and to perform its obligations under, this Consent and Agreement and the Lease.
- b. The execution, delivery and performance by the Landlord of this Consent and Agreement and the Lease have been duly authorized by all necessary corporate action, and do not and will not (i) require any consent or approval of Landlord's board of directors or any other Person which has not been obtained, (ii) violate any provisions of the Landlord's certificate of incorporation, or by-laws or any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award having applicability to the Landlord, or (i) result in any breach of or constitute a default under any agreement relating to the management or affairs of the Landlord or any indenture or loan or credit agreement or other material agreement, lease or instrument to which the Landlord is a party or by which it or its properties may be bound or affected.
- c. As of the date hereof, the Lease is in full force and effect and is a legal, valid, binding and enforceable obligation of the Landlord in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the rights of creditors generally.
- d. There is no pending or, to the best knowledge of the Landlord, threatened action or proceeding affecting the Landlord before any court, governmental agency, regulatory body or arbitrator, which could materially adversely affect the ability of the Landlord to perform its obligations under, or which purports to affect the legality, validity or enforceability of, the Lease.
- e. To the best knowledge of the Landlord, the Tenant is not in default under any material covenant or obligation under the Lease and no such default has occurred prior to the date hereof. To the best knowledge of the Landlord after giving effect to the mortgage by the Tenant of the Lease to the Lender pursuant to the Security Documents, and after giving effect to the acknowledgement of and consent to such mortgage by the Landlord, there exists no event or condition which would constitute a default, or which would, with the giving of notice or lapse of time or both, constitute a default under the Lease.
- f. The Tenant has duly performed and complied with all covenants, agreement(s) and conditions contained in the Lease required to be performed or complied with by it on or before the date hereof, and the Lease, as of the date hereof, is in full force and effect and has not been amended, and none of the Tenant's rights under the Lease have been waived.
- g. All rent, fees and payments due under the Lease through and including the date hereof have been paid and, as of the date hereof, no other fees or other payments are presently due under the Lease.

- h. To the knowledge of Landlord, there are no pending or contemplated condemnation or eminent domain proceedings with respect to the Land (including the Leased Premises), the Access Easement Land, the Interconnection Easement Land or any portion thereof.
- 3. <u>Consents and Agreement</u>. The Landlord hereby agrees that, up to and until the date on which all of the Tenant's obligations under the Credit Agreement have been paid and satisfied (the "<u>Termination Date</u>"):
- a. The Lender and any designee or assignee thereof shall be entitled to perform any and all obligations of the Tenant under the Lease in accordance with the terms of the Lease and the Landlord shall accept such performance on behalf of Tenant. Without limitation to the foregoing, the Lender and any designee or assignee thereof shall have the right, but not the obligation, to pay all sums due under the Lease and to perform any other act, duty or obligation required of the Tenant thereunder at any time. Nothing herein shall require the Lender or such designee or assignee to cure any default of the Tenant under the Lease or to perform any act, duty or obligation of the Tenant under the Lease, but shall only give them the option to do so.
- b. Landlord acknowledges that the Personal Property is owned by and shall remain the personal property of Tenant (and not fixtures) notwithstanding the manner or mode of attachment to the Leased Premises, and Landlord consents and agrees to Lender's (or its assignee's, nominee's or designee's) removal of any Personal Property from the Leased Premises.
- c. Landlord will deliver to Lender, simultaneously with delivery thereof to Tenant, any notice of default by Tenant. Lender will have a period equal to the later of (i) thirty (30) days from such notice, or (ii) the period provided for cure of such default in the Lease, to cure or cause to be cured such default on behalf of Tenant. Landlord will not terminate the Lease by reason of any Tenant default during the period provided for Lender to cure such default. With respect to any event of default that cannot be cured without possession by Lender of the Leased Premises, if Lender has initiated and is diligently prosecuting foreclosure proceedings in order to acquire Tenant's interest in the Leased Premises and the Project, and has cured all other Tenant defaults capable of cure, Landlord will not terminate the Lease during the pendency of such foreclosure proceedings provided Lender continues to diligently pursue such proceedings, and further provided that the period for completion of such foreclosure proceedings will not exceed six (6) months from notice to Lender of such Tenant default.
- d. Landlord acknowledges that any amendment or modification to the Lease by Tenant after the date hereof requires the consent of Lender, and will not make or accept any such amendment or modification from Tenant without the consent of Lender.
- e. A foreclosure or other exercise of remedies under the Security Documents or any sale thereunder by the Lender or its assignee or designee, whether by judicial proceedings or under any power of sale contained therein, or any conveyance from the Tenant to the Lender or such assignee or designee, in lieu thereof, shall not require the consent of the Landlord or constitute a default under the Lease.
- f. In the event that the Lender or its designee or assignee succeeds to the Tenant's interest in the Lease, whether by foreclosure or otherwise, the Lender or its designee or assignee shall be entitled to exercise all rights of the Tenant in the Lease, and shall assume liability for all of the Tenant's obligations under the Lease; provided however, that such liability shall not include any liability for claims of the Landlord against the Tenant arising from the Tenant's failure to perform during that period prior to the Lender's or such designee's or assignee's succession to the Tenant's interest in and under the Lease, or to the date on which Lender received notice of default in accordance with subparagraph (c) above, whichever is earlier, so long as all monetary defaults are cured (regardless of whether such monetary defaults occurred

prior to or after the assumption of Tenant's Lease obligations by Lender). Except as otherwise set forth in the immediately preceding sentence, neither the Lender nor any designee or assignee of the Lender shall be liable for the performance or observance of any of the obligations or duties of the Tenant in the Lease and the assignment of the Lease by the Tenant to the Lender pursuant to the Security Documents shall not give rise to any duties or obligations whatsoever on the part of Lender or any designee or assignee of Lender owing to the Landlord.

- g. Upon the exercise by the Lender of any of the remedies set forth in the Security Documents, the Lender may assign its rights and interests and the rights and interests of the Tenant under the Lease to any purchaser or transferee of the Project, if such purchaser or transferee shall assume all of the obligations of the Tenant under the Lease. Upon such assignment and assumption, the Lender shall be relieved of all obligations under the Lease arising after such assignment and assumption.
- h. In the event that (i) the Lease is rejected by a trustee or debtor-in-possession in any bankruptcy or insolvency proceeding involving the Tenant or (ii) the Lease is terminated as a result of any bankruptcy or insolvency proceeding involving the Tenant, and if within thirty (30) days after such rejection or termination, the Lender or its designee or assignee shall so request and shall certify in writing to the Landlord that it intends to perform the obligations of the Tenant as and to the extent required under the Lease, the Landlord will execute and deliver to the Lender or such designee or assignee a new lease, pursuant to which the Landlord shall agree to perform the obligations contemplated to be performed by the Landlord under the original Lease and which shall be for the balance of the remaining term under the original Lease before giving effect to such rejection or termination and shall contain the same conditions, terms, provisions and limitations as the original Lease (except for any requirements which have been fulfilled by the Tenant prior to such rejection or termination). References in this Consent and Agreement to "Lease" shall be deemed also to refer to such new lease.
- i. The Landlord shall deliver to the Lender at the address set forth on the signature pages hereof, or at such other address as the Lender may designate in writing from time to time to the Landlord, concurrently with the delivery thereof to the Tenant, a copy of each material notice, request or demand given by the Landlord pursuant to the Lease.

4. Miscellaneous.

- a. This Consent and Agreement shall be binding upon the successors and assigns of the Landlord, Lender and the Tenant and shall inure, together with the rights and remedies of the Lender, Landlord and the Tenant hereunder, to the benefit of the Landlord, the Tenant, the Lenders and their respective permitted successors, transferees and assigns.
- b. No amendment or waiver of any provisions of this Consent and Agreement or consent to any departure by the Landlord, Lender or the Tenant from any provisions of this Consent and Agreement shall in any event be effective unless the same shall be in writing and signed by the Lender and Landlord and, in the case of an amendment, waiver or consent sought prior to the occurrence of an event of default, the Tenant (provided that such right of the Tenant to consent to an amendment, waiver or consent shall be solely with respect to amendments, waivers or consents which could have a material adverse affect on the Tenant's rights under the Lease), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.
- c. THIS CONSENT AND AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF MARYLAND. THE LANDLORD, THE LENDER AND THE TENANT HEREBY SUBMIT TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF

BALTIMORE COUNTY AND OF ANY MARYLAND STATE COURT FOR THE PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS CONSENT AND AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. - d. EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON THIS CONSENT AND AGREEMENT, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS CONSENT AND AGREEMENT AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. EACH OF THE PARTIES TO THIS CONSENT AND AGREEMENT WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THIS PROVISION IS A MATERIAL INDUCEMENT TO EACH OF THE PARTIES FOR ENTERING INTO THIS CONSENT AND AGREEMENT.
- e. This Consent and Agreement may be executed in one or more counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.
- f. No failure on the part of the Landlord or Lender to exercise, and no delay in exercising, any right under this Consent and Agreement shall operate as a waiver of such right nor shall any single or partial exercise of any right under this Consent and Agreement, preclude any further exercise of such right or the exercise of any other right. The rights, remedies, powers and privileges provided in this Consent and Agreement are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.
- g. All notices to be given under this Consent and Agreement shall be in writing and shall be delivered personally, sent by certified or registered first-class mail, postage prepaid, or dispatched by tested telex or telefacsimile, or courier to the intended recipient at its address as set forth on the signature pages below, and all payments to be made under this Consent and Agreement shall be made by wire transfer of immediately available funds or check representing immediately collectible funds to the account or address of the intended recipient as set forth on the signature pages hereto, unless the recipient has given notice of another address or account for receipt of notices or payments.
