No eligible applicant shall be considered to need more than 7 tons of coal per year, 8 cords of wood per year, 126,000 cubic feet of natural gas per year, or 1000 gallons of propane.

Appendix I

26 MRSA §1043 (23)

23. Misconduct. "Misconduct" means a culpable breach of the employee's duties or obligations to the employer or a pattern of irresponsible behavior, which in either case manifests a disregard for a material interest of the employer. This definition relates only to an employee's entitlement to benefits and does not preclude an employer from discharging an employee for actions that are not included in this definition of misconduct. A finding that an employee has not engaged in misconduct for purposes of this chapter may not be used as evidence that the employer lacked justification for discharge.

A. The following acts or omissions are presumed to manifest a disregard for a material interest of the employer. If a culpable breach or a pattern of irresponsible behavior is shown, these actions or omissions constitute "misconduct" as defined in this subsection. This does not preclude other acts or omissions from being considered to manifest a disregard for a material interest of the employer. The acts or omissions included in the presumption are the following:

- (1) Refusal, knowing failure or recurring neglect to perform reasonable and proper duties assigned by the employer;
- (2) Unreasonable violation of rules that are reasonably imposed and communicated and equitably enforced;
- (3) Unreasonable violation of rules that should be inferred to exist from common knowledge or from the nature of the employment;
- (4) Failure to exercise due care for punctuality or attendance after warnings;
- (5) Providing false information on material issues relating to the employee's eligibility to do the work or false information or dishonesty that may substantially jeopardize a material interest of the employer;
- (6) Intoxication while on duty or when reporting to work, or unauthorized use of alcohol or marijuana while on duty except for the use of marijuana permitted under Title 22, chapter 558-C;
- (7) Using illegal drugs or being under the influence of such drugs while on duty or when reporting to work;
- (8) Unauthorized sleeping while on duty;
- (9) Insubordination or refusal without good cause to follow reasonable and proper instructions from the employer;

- (10) Abusive or assaultive behavior while on duty, except as necessary for self-defense;
- (11) Destruction or theft of things valuable to the employer or another employee;
- (12) Substantially endangering the safety of the employee, coworkers, customers or members of the public while on duty;
- (13) Conviction of a crime in connection with the employment or a crime that reflects adversely on the employee's qualifications to perform the work; or
- (14) Absence for more than 2 work days due to incarceration for conviction of a crime. [PL 2019, c. 125, §1 (AMD).]

B. "Misconduct" may not be found solely on:

- (1) An isolated error in judgment or a failure to perform satisfactorily when the employee has made a good faith effort to perform the duties assigned;
- (2) Absenteeism caused by illness of the employee or an immediate family member if the employee made reasonable efforts to give notice of the absence and to comply with the employer's notification rules and policies; or
- (3) Actions taken by the employee that were necessary to protect the employee or an immediate family member from domestic violence if the employee made all reasonable efforts to preserve the employment. [PL 1999, c. 464, §2 (NEW).]
