RE: City Manager's Report

In tonight's city manager's report, I would like to highlight a few exciting achievements.

Congratulations to Deputy Treasurer Holli Doody for her recertification by the Maine Municipal Tax Collectors' and Treasurers' Association as a certified Treasurer. Holli wears many hats in the City of Caribou. In addition to working as the Deputy Treasurer, Holli is responsible for payroll, accounts payable and accounts receivable.

Congratulations to Superintendent of Parks and Recreation, Gary Marquis. On Thursday March 13, Superintendent Marquis will receive the Central Aroostook Chamber of Commerce Citizen of the Year Award. The Chamber's Citizen of the Year Award recognizes a special individual who has made notable contributions and successes in our communities and shows dedication and spirit beyond what is considered regular duty.

Also, at the Central Aroostook Chamber of Commerce dinner and awards banquet, Caribou business Beaulieu's Garage and Body Shop will be honored as the Business of the Year for Community Impact. The business was started in 1941 by Peter Beaulieu and has remained a family business with a mission to give back to the community by assisting local churches and civic organizations. For 35 years, they have offered rides on New Year's Eve to reduce automobile accidents.

I would also like to commend the staff of Caribou Public Works, Caribou Police, and Caribou Fire and Ambulance departments for their service to our community during the many winter storms our city has experienced. While non-essential staff like me can go home early and wait out the storm, the dedicated staff of our essential services work to keep the roads open and are on standby for any emergencies.

Penny Thompson
City Manager
City of Caribou
25 High Street
Caribou, ME 04736

Dear Penny:

Congratulations are in order for the City of Caribou. The Maine Municipal Tax Collectors' and Treasurers' Association has approved Holli L. Doody as a re-certified Treasurer. This certification process has required many hours of dedication to achieve. The certification process requires that applicants receive training in a number of courses that relate to their field of expertise.

Holli will be recognized for receiving certification in the MMTCTA newsletter *Dollar\$ and Sense* and her certificate will be awarded at the 2025 MMTCTA Annual Conference.

The MMTCTA understands the investment of time and resources it takes to achieve this status. You may want to check with the Town's insurance carrier to see if this would entitle the Town to a discount on your public official's liability insurance or bond insurance for this position. We encourage you to ask your insurance company and find out.

Congratulations once again!

Sincerely,

Jessica L. Maloy
MMTCTA President
MMTCTA Certification Committee
