Hi Penny,

Can you send the Chief's list over?

Also, when you have your first committee meeting, can we zoom in? I have things we still need to discuss – we haven't really had anyone to fly things by with Chief Gahagan gone and no building Committee. So, it could be a very helpful meeting.

Thanks,

Ellen

Good morning Ellen & Shelly –

Thank you both for coming to the meeting. I hope that you had a safe trip home.

Melissa from the Aroostook Republican has asked for the cost estimates and updated design. I see that the one-pager on costs is still dated 5-15-2024. Could we get one with a correct date please?

I searched my email last night and again this morning and I do not find an email with the revised schematic design. This is especially problematic as I am dealing with City Council members who accuse me of not passing along information about the project. If you could send over a digital copy of the design, that would be helpful.
