Hi Penny,
We don't have a dropbox, but we can download from a link from her google drive, or other drive links.
She can share with us at artifexae@gmail.com

I'm not sure how large the files are, but she could send them in a couple of emails if they are over 20 mb.
Shelly

Good morning-
Do you have a file share / drop box?
Jan has notes on mechanical, electrical & fire protection but her files are too large to email.
Thank heavens for Jan! She has a great eye for detail & is willing to use her expertise & take the time to do this work for us!
Penny
