p. 29: does form need to include a list of the unit price items? **YES**

p. 31: 1.4.B: what access drive to the east? The one to the basement? Is it not already included in the base bid project?! **INCLUDED AS GRAVEL DRIVE – OPTION TO ASPHALT PAVE**

p. 31: 1.4: discuss with City other items to add to deductive alternates to reduce overall project cost **CURRENTLY HAVE 8 – WILL DISCUSS FURTHER**

p. 33: per spec, proposed sched of values is to be included with bid, but the bid form does not list this under item 1.7.A (p. 25) **NOT REQUIRED UNTIL AFTER SELECTION – PRIOR TO SIGNING CONTRACT**

p. 35: 1.4.A: formatting is wonky **YES – PDF**

after p. 35: 00 52 13 is missing from spec package **AIA DOCUMENT – WILL BE IN FINAL**

p. 36: the architect needs to provide these forms and make them a part of the specification package, ready to use by all parties as applicable. The contractor should not be buying these forms. **CORRECT**

After p. 37: 00 60 00.1 is missing from spec package **AIA DOCUMENT – WILL BE IN FINAL**

After p. 37: 00 61 13 is missing from spec package **AIA DOCUMENT – WILL BE IN FINAL**

p. 41: at present, the \$2.5million grant funding is not in hand; in light of the circus in Washington, DC, it is not clear when or if that the money will be provided. That being said, can this money be spent first or must it be spent last? Does HUD need to sign this? Does Appendix 1 and 2 need to be filled out? Does Appendix 3 need to be filled out?
