## TELEPHONE APPOINTMENTS

November 4  
9a - 3p

Be sure to schedule  
your appointment  
in advance!

Due to demand for  
assistance, we regret  
that we are unable to  
accommodate walk-ins.

It's that time of year – Medicare Open Enrollment runs from October 15<sup>th</sup> through December 7<sup>th</sup>. The Agency on Aging will again provide support from our expert staff for Medicare recipients who want to review and update their Part D prescription plans.

**Call now to arrange an appointment at a clinic site near you!**

**(207) 764-3396 or (800) 439-1789**

## What to Bring with You

Bringing a **complete list of your prescriptions and their dosages** to your clinic appointment is critical for comparing plans and understanding your total healthcare costs. Medicare drug plans (formularies) differ significantly in what they cover and how much you will pay for specific medications. Having all of your details at hand helps our team identify the best coverage options, highlight any restrictions, and calculate your premium and out-of-pocket expenses.
