CARIBOU UTILITIES DISTRICT NOTICE TO CUSTOMERS – HYDRANT FLUSHING/VALVE EXERCISING

As part of a regular maintenance program, the Caribou Utilities District will be flushing hydrants and exercising control valves during the weeks from Wednesday, October 8, 2025 through October 31 2025. These procedures are necessary to clean the water mains of accumulated sediments and to maintain water quality in all parts of the distribution system. Some temporary discoloration and reduced pressure may be experienced by some customers during this process. We apologize for any inconveniences which may be caused by these activities. If you have any questions concerning this maintenance, please call the District office at 207-496-0911 from 7:30 AM to 4:00 PM
