Caribou needs more housing options tailored to young families, professionals, and the workforce population.			
There is a growing need for more housing options tailored to seniors in the community.			
Current housing options in Caribou are generally high-quality.			
There are diverse housing types distributed across the community.			
Caribou should focus on developing more missing middle housing (condos, townhomes, duplexes).			
More affordable housing options are needed for low-income residents.			
Allowing accessory dwelling units (ADUs) could help increase the local housing supply.			
There is a need for more housing options that support multigenerational living (ADUs, duplex, triplex).
