

CARIBOU COMMUNITY GARDEN *Clean-up Day!*

Saturday, May 9th 9 - 11 am

The Caribou Community Garden could use a little spring clean-up and some fresh planting to kick off the season.

We're looking for volunteers to help tidy up and get things growing. Come for as long as you can—many hands make light work!

If you have them, bring along:

- Rake
- Shovel
- Seeds to share
- Seedlings

This garden belongs to all of us—let's come together to make it a beautiful space for everyone to enjoy.
